

Registered Players - transferring to a lower level

Updated February 23, 2018

EIYSA registered players may transfer down, to a lower level, provided the following occurs:

- 1) The player is age specific for the lower level they want to transfer to.
- 2) Transfer takes place prior to their third (3rd) league game.
- 3) The transfer occurs prior to June 30 of that year for Outdoor, and January 31 of that year for Indoor.

The Player may play for the balance of the season with the lower level team, however, should the respective team challenge for provincials, if applicable, then the player is ineligible to participate.
