1. Hansen Division Coordinator

The ESSPA Board has indicated that they would like Darlene Pruden to be the Hansen Coordinator. The Hansen Division rules do require the selectors to vote on selecting a Hansen Coordinator. The selectors voted Darlene Pruden as Hansen Coordinator for 2017 slowpitch season. The position has been accepted by Darlene.

Darlene thanked individuals for getting the season going by organizing evaluations, setting this meeting up etc.

2. Process to Choose Hansen Division Selectors

We have individuals that have indicated interest in being Hansen Division Selectors. The following individuals have indicated their interest:

Gord Stamp

Bruce Munro

Ted Shepherd

Gary Watt

Karen Harmen/Stan Zimmerman

Ray MacEachern

Wayne Berry (will not be available for the draft however)

Don Holtom (has not shown interest other than indicated on his registration)

3. Process for Draft

We will hold a straight draft. Hansen will have 6 teams, a minimum of 13 players on a team. Each team will have a minimum of 3 women on the team. Selectors will work together to make the teams as even and competitive as possible. Selectors will have a copy of how each player was rated in the previous year for their information during the draft. Numbers were put in a bag and drawn by selectors at the meeting for their order in selecting their teams.

Karen/Stan have first selection

Ray (chosen by Darlene) has second selection

Gord has third selection

Ted has fourth selection

Gary has fifth selection

Bruce has sixth selection.

Selectors reviewed their own ratings from last year and rated themselves with the assistance of the group as follows:

Karen – 9

Stan – 6

Ted – 4

Bruce – 6

Gord – 10

Gary – 1

Ray – 6

There was discussion on friends wanting to play together or with a certain team in addition to couples playing together.

The following couples were rated as follows:

Pam Brown - 4

Dwayne Brown – 1

Mike Cooper

Diane Cooper – 13

Anita Sisson – 6

Jim Sisson – 1

Doreen Stevenson –

Warren Stevenson – 13

Marcy Watt - 6

Cathy Watt – 11

4. Choose Hansen Selectors

Since there was only interest from 7 individuals and one cannot make the draft the 6 listed in number 2 will be the selectors.

5. Pick date of Draft

The date of the draft will be dependent upon whether we can book another indoor evaluation. Gord has received approval from the board to rent out the Golfdome for a Hansen evaluation. There are approximately 4 Brawner players and 5 or 6 new players that need to be evaluated. Hirsch has sent down 7 players but those individuals are not new to the league. There is probably one player that should be evaluated from that list. Gord will let us know as soon as he gets confirmation from the Golfdome that there is space available for us on April 22nd. If the evaluation is completed early that day the selectors can complete the draft that day or draft on April 23rd.

6. Discuss Hansen Rules for 2016

Deferred to next meeting. Please review the rules and be ready to discuss at the next meeting.

7. Usage of Spares

Deferred to the next meeting.

Darlene will send out some possible dates for the next meeting.

Meeting was adjourned at 8:45p.m.
