

Hansen Division Minutes

April 19th – 6:00pm

Percy Page Building – Room 1

1. Review minutes of April 10, 2017 meeting.

Minutes were reviewed and accepted.

2. Approve and finalize ratings of Hansen Selectors.

Wayne Barry was approved as a Selector by the other Selectors. The Selectors agreed that Wayne is rated as a 3.

3. Discuss Hansen evaluation and draft on April 22, 2017.

Evaluation is at 11:00a.m. at the Sportsdome. Gord will send an updated list of all players in the Hansen Division and a separate list of players that will be there Saturday for the evaluation. The draft will take place right after the evaluation. Wayne's team will be picked by Karen and Bruce.

4. Discuss schedule and playoffs.

- Start date – We propose to start on May 2nd if weather permits.
- End date – Regular games will end on August 10th and there will be no rainout games played after that date.
- Exhibition games – The first 5 games will be exhibition games.
- Team names – Let Darlene know if you want to keep your team name from last year or change it. Gary has decided on the Diamondbacks.
- Playoff schedule and dates – Playoffs will start on August 14th and games will be scheduled Monday to Thursday, double knock-out.

5. Discuss Hansen Rules (see rules from 2015 that Gord emailed).

Rules were reviewed and changes made. See attached document. Changes will have to be reviewed by the board and approved.

6. Additions to agenda.

Action items for Darlene – email Ben Gona regarding start times for all games.

- Find out from Ben if players that tried out for Hirsch have been notified they did not make the division and if they have been notified did they indicate they will move to Hansen. If they have not been notified someone from Hirsch should be contacting them.
- Ask if the board has made a decision on times for each game. We propose games start at 6:00pm and times not be changed for playoffs.

The group decided that we will have another meeting at the end of May to review how each team is doing and if there are any issues we need to discuss. We will also have another meeting before playoffs start. No dates were scheduled at this time.
