The Western Canada Baseball Association welcomes all participants to another championship event. We, along with the organizing committee and Baseball Canada play an important role to develop and promote the sport of baseball in a sportsmanlike, safe and ethical manner, by hosting these events. These regional championships help achieve these personal goals and help strengthen relationships among our members.

As you know during these economic times, the distractions of other interests and sports add to the obstacles we have to overcome.

So remember as we pursue for excellence in ability and interests our day together here will be filled with great baseball, good sportsmanship and warm comradery.

I know the organizing committee and their team of volunteers have worked tirelessly to ensure this year's championship the best ever. Congratulation to the organizers, volunteers and loyal supporters, you are helping to develop our young people, hone their skills, abilities and most importantly their lifestyles.

To everyone, may you leave here with good memories.

Good luck, good sportsmanship and good baseball.

A Message from the Premier

On behalf of the Government of Saskatchewan, it is my pleasure to welcome all participants and spectators to the 2022 Western Canada Championships in Estevan.

Baseball requires dedication, focus, stamina, and above all, teamwork. Brought together by their love of the game, all these teams have excelled to reach this elite caliber of competition. The next four days represents the countless hours of training and dedication to this great sport. As the players rise to the challenge in the spirit of fair play and sportsmanship, I know that each of you will take away memories that will last a lifetime.

Thank you to the coaches, managers, parents, and volunteers for their continued commitment and support for these athletes. I would also like to thank the Estevan Minor Baseball Committee for your diligent work to bring the tournament here to our great province. Without all of you, none of this would be possible.

To our visitors, I encourage you to take some time to experience Estevan's many attractions and enjoy your stay in the *Land of Living Skies*.

Good luck and best wishes for a memorable 2022 Championship.

THANK YOU

What does it take to run a successful minor baseball organization? What does it take to maintain beautiful diamonds that could go up against any diamond in the country? What does it take to bring amazing events to a community that thrives on the experience? In Estevan, Saskatchewan the answer is easy, Mel Murray.

Mel has dedicated countless hours, days, weeks and years to developing a baseball experience in Estevan that you don't find many places. From the initial construction of diamonds, to coaching for years, developing kids, being an engaged board member, fundraising, etc., the list could go on for ever, Mel has done it all without asking for anything other than a thank you. Estevan is lucky to have a man as dedicated as Mel so that our kids can have the facilities they have to enjoy the game of baseball.

If you see Mel this weekend, give him a handshake or a thanks, he will be the guy liming the diamonds, organizing the volunteers, telling stories about years past and smiling.

On behalf of Estevan Minor Baseball and all its players, parents and families, I would like to say thank you Mel! Weekends like this don't happen without people like you and we are all thankful for what you do for the community.

Joe Williamson
