

Welcome to the 23rd Annual Fastball St. Albert Invitational Tournament!

We are excited to be back hosting our event and thank you for being a part of it. In this document you will find:

- Admission information
- Accommodation information
- Venue information
- Tournament rules
- Division Schedules
- TeamSnap Tournament App tips

Admission Information

Admission: \$10 for the weekend, \$5/day (cash/debit/credit or advance purchase), coaches, players and children under 12 are free.

Wristbands are good for admission to both venues. To streamline the gate process (we all know what it is like to be hauling in all your stuff and have to dig for your wallet!!) FSA is pleased to offer an advance purchase option for teams. Wristbands are sold in packages of 20, 30, or 40. If your team does not need a full package, you are free to split with another group however one person must make the purchase. A team representative will need to pick up the package and distribute to your group. Advance purchase will close Wednesday June 8th at 8:00 pm and Thursday morning, further information will be sent to those that purchase.

2022 Fastball St. Albert (FSA) Invitational Tournament Rules

Tournament Rules:

- All Rules of the Game shall be in accordance with CASA Rule Book and AASA Rule Book (Substitution not ABC) in force as of the date of the tournament **with the exception** of the U11 House division. U11 House and U13C will play with the A, B, C, player rotation rule.
- DP/Flex will be allowed at the U15/17/19 categories.
- **UMPIRE'S DECISIONS ARE FINAL.....NO PROTESTS.**
- ***Any player, parent, coach or official team representative ejected from a game, will also receive a minimum next game suspension. Further disciplinary action may be taken at the discretion of the tournament director.***

Pitching Limits

- U11/U13/U15: maximum 4 innings per game
- U17/19: no limit

Run/Walk Rules

- The CASA run ahead rule will stand for all ages categories at 15 runs after 3 innings, 10 runs after 4 innings and 7 runs after 5 innings.
- U11 and U13: maximum 5 runs per inning for ALL games. No dropped third strike rule, no infield fly.
- U11A will play using CASA Rules with walks allowed (ie: no coach pitching).
- U11 House will play with no walk rule and allow for coach pitch.
- U15, U17, U19 maximum 7 runs per inning for round robin games.

Warm ups and Game Start

- No infield warm-ups will be allowed
- No peppering/batting against fences on any diamond
- A coin toss will determine the "Home" team. Home team for play downs is determined by standings at the end of round robin play

Scorekeeping

- Both teams will be responsible for keeping score
- Scores to be submitted online through the app by the winning team within 20 minutes of game completion. Failure to do so may result in a forfeit.
- Paper backups to be kept until tournament end in case required

Rosters/Team Size

- Proof of age of players must be available if asked by tournament officials
- Teams must be prepared to field a full team at all times. A team that starts a game and forgoes an injury may continue to play, but the spot in the batting order for the injured player will become an automatic out.
- Teams may play with a minimum of 8 players. Teams failing to field a full team (8 players) when scheduled to play will forfeit that game. The opposition will be awarded a 7-0 win. A MAXIMUM grace period of 10 minutes from the official scheduled start time will be permitted. The home plate umpire will determine the start time and notify both scorekeepers. Any team fielding 8 players will not be penalized with an automatic out in the 9th spot in the batting order. Any player showing up late may be placed at the bottom of the batting order.

Injuries and Field Conditions

- Fastball St. Albert (FSA) will not be responsible for any injuries incurred. There will be a first aid station set up at each diamond quad location. Please report any injuries to the tournament organizers. All coaches should use their existing team Emergency Action Plan in the event of an injury requiring Emergency Medical Services.
- The Umpire in Chief (UIC), and the Tournament hosts will determine playing conditions. Decision is final.

Time Limits and Points

- No new innings after 1 hour and 30 minutes
- Umpires will keep the game moving, no delays tolerated. Umpires to declare the official start time to both teams AND record the official start time on the home team scoresheet
- The games at completion of regular innings or after the time limit shall remain tied for round robin play only
- Round Robin Points will be awarded as follows: **2 points for a win and 1 point for a tie**

Coaches Conference

- A maximum of 2 coach's conferences per game will be allowed
- Limit of 1 conference per half inning
- Coaches that exceed allotted amount of conferences will be removed from the game

Playoffs

- If teams are tied for positioning after round robin, the positions will be determined by using the following criteria:
 1. Winner of the game between tied teams
 2. Best plus/minus difference of total runs scored per run limit clarifications.
 3. Total runs scored in all games (full innings only)
 4. Fewest runs allowed (full innings only)
 5. Coin toss
- The Medal Round in each category will have the following limits. If the teams are tied after the completion of 7 innings and or time limit, the international tiebreaker rule will be in effect. The mercy rule will remain in effect for all medal round games

U11: Maximum 5 runs per inning, same as round robin play. No new inning after 1 hour 40 min.

U13: Maximum 5 runs per inning, 7th inning open. No new inning after 1 hour 40 min.
U15, U17, U19 : Maximum 7 runs per inning, 7th inning open. No new inning after 1 hour 40 min.

Weather Conditions

If weather at the time of the event results in delays to games, we will do our best to reshuffle the schedule wherever possible to get every team to the minimum 4 games. Where weather and diamond conditions make this impossible, the following will apply:

1 game played only - refund of 70%

2 games played only - refund of 40%

Where 3 or more games are able to be played, we will deem the contract to have been fulfilled and no refunds will be issued.

All decisions are final. During inclement weather, tournament director reserves the right to shorten games in order to get all, or most games complete. A game is considered to have begun upon the first pitch in the top-half of the first inning. A game will be considered a complete game for the tournament when 4 full innings have been played. No medals will be awarded in situations where a complete medal game has not been played.

Gate Admission and Parking

- \$10/person gate fee for the weekend or \$5/day. Coaches, players and volunteers are exempt. Children under 12 are free.
- Reserved parking spot available at each venue (10 minute time limit) for equipment drop off.
- Parking spots at each diamond reserved for tournament organizers and umpires. Please respect these spots as they need to move between venues. Any one parking in these spots that is not a tournament director will be towed!

Time-limit/Run-limit Clarifications:

The following are the run limit rules based on the time limit format that shall be enforced by both the umpires and the tournament organizers. When time-limits and run-limits are strictly enforced (especially during round-robin play) the following scenarios may arise:

- A. **Situation:** Home team is ahead AND home team is at bat (i.e. bottom of an inning) upon the time-limit being reached

Result: This is effectively a “drop-dead” scenario. As no new inning can start, the game ends immediately. The official score shall be the score when the game was called due to “time”. Home team cannot “run up the score”.

- B. **Situation:** Home team is behind and the visiting team is at bat (i.e. top of an inning) upon the time-limit being reached AND the run-limit is such that the home team CANNOT catch up by having their last bats (i.e. “the math doesn’t work”)

Result: The game ends immediately and the final score shall revert to the score of the previous inning (i.e. visiting team still wins as their score was higher than the home team at the end of the previous inning.)

- C. **Situation:** Home team behind and the visiting team is at bat (i.e. top of an inning) AND the run-limit is such that the home team CAN catch up by having their last bats

Result: The game continues until the end of the inning or until such time that the home team earns a “go-ahead” run (See scenario D).

- D. **Situation:** Home team batting in the bottom of the last inning (i.e. time limit has been reached) “comes from behind” to score more total runs than the visiting team.

Result: The game ends at the end of the play that scores the “go-ahead run”. If extra runs score prior to the end-of-the-play (e.g. say a grand-slam home run when only 2 runs are required to win), then the final score for the home team shall be only ONE run greater than the score of the visiting team. (i.e. “Just enough to give the win”)
