February 2026

Thank you!

Our 2026 social was a huge success, thanks to you!

A HUGE thanks to the individuals, families, and companies who supported the 2026 FCNW Social through donations of time, money, food and prizes, and to all of those who attended.

Together, you helped raise \$6,000 for our subsidy program — helping more kids step onto the pitch and be part of the game.

Thank you to Manitoba Blue Cross for sponsoring our club.

Our club could not operate without the support of generous donors like you!

To learn more about sponsorship opportunities,
please contact Pam: officeadmin@fcnorthwest.com

We believe every child should have the opportunity to play.

If cost is a concern, subsidies and financial assistance may be available.

Please reach out to officeadmin@fcnorthwest.com

Program & Registration Information

U8-U10 FCNW Grassroots Program

The Grassroots Model helps every child learn and thrive by emphasizing foundations, creativity, confidence, long-term participation, and positive social experiences. Players build dribbling, passing, shooting, movement, and ball control through fun, fast-paced activities.

The Winter pilot session is underway! We are already looking ahead to the Spring Grassroots Season where kids will enjoy Festival Format Game Days.

REGISTRATION IS OPEN!

U8 - U10 FCNW Grassroots Summer Program:
