Fundraisers

Our Purdy's chocolate fundraiser raised over **\$3,000** for our club! These funds will help teams with travel, tournament or team building costs.

Our next fundraiser, the club-wide 50/50, will be starting soon!

More information about fundraisers will be shared on Spond when available.

Thank you to our Bronze Level sponsor, Manitoba Blue Cross.

Every dollar donated increases opportunities for youth.

To learn more about sponsorship opportunities, please contact
Pam: officeadmin@fcnorthwest.com

We believe every child should have the opportunity to play.

If cost is a concern, subsidies and financial assistance may be available.

Please reach out to officeadmin@fcnorthwest.com

Our pilot program has been
a HUGE success!

**We are excited for our
2026-2027 FCNW
Grassroots programming.**

At U8 to U10, players develop best in environments that reduce pressure and increase learning opportunities.

FCNW Grassroots is designed to build confident, capable young players through high ball contact, age appropriate training, and a positive learning environment. **The program is structured, coach led, and focused on long term player development while keeping the experience fun, positive, and engaging for every player.**

Choose from 1 or 2 training sessions plus 1 festival style matchday per week.
