1. Team Information

The FC Regina Youth Coordinator will provide Technical Coordinators for your division with a roster containing contact information to send out to Team Personnel. Please check the information and if there are any errors notify the FCR Youth Coordinator with the changes. If player information changes throughout the season, please notify the FCR Youth Coordinator with those changes as well.

Reminder: Any changes/additions to your roster need to be done by the FCR Youth Coordinator who will make the necessary changes/additions on the website and with SSA for PSL/Provincials. All coaching changes/additions need to be approved by the club Technical Director and Technical Coordinators before the FCR Youth Coordinator can make the changes/additions to the roster on the website and with SSA for PSL/Provincials. All Team Personnel are required to have their Respect in Sport certification, Making Headway, and a current Criminal Record Check completed and on file in the FCR RAMP system.

Important: If players are injured (medical) or move out of the district and are unable to complete the current season let the FCR Youth Coordinator know immediately they may be entitled to a pro-rated refund. If a player quits you will need to inform the FCR Youth Coordinator, depending on the date of withdrawal they may be entitled to a pro-rated refund. Please refer to the FCR Youth Refund Policy found on the FCR Website.

2. Parent meeting

The Manager is liaison between the Coach and team, the club and team, as well as SSA/CSA and the team for PSL and Nationals as well as any other BlueStars competitions they may attend.

Please ensure you send information out to your -whole team that the club may send to you to distribute to your team.

Discuss with your Coach about items and expectations he/she would like presented to the parents before the parent meeting. This includes practice times, fitness program, expectations, tournaments, etc. FC Regina has a 24-Hour Cool Down Policy that must be presented to the parents at the parent meeting.

The team parent meeting can be as simple as meeting before or after the first practice or game or on a separate night. You will need to decide what would work best for your team.

Before the meeting prepare a listing of all players and their information – you can use the roster provided to you or make your own. Ensure the information is correct if there are any corrections please notify the FCR Youth Coordinator youth@fcregina.com. The Coach should attend this meeting. You should discuss all the information with him/her beforehand.

It is important that parents and players understand about committing to the BlueStars program, tournaments and PSL.

This is a good time to recruit your parent volunteers for the following: Team Treasurer – setting up and managing the team finances, Windup, Team photos, Fundraising, etc. Only the team Manager and team Treasurer Positions will count towards volunteer bonds. The other things are only if you wish to spread out your duties amongst the parents.

3. BlueStars Team Commitments: Parent/Player Information

BlueStars Programming is not optional!

1. Team events are determined by the coach and technical staff at the beginning of the season.
2. Teams withdrawing from PSL events will be responsible for any costs incurred or fines levied.
3. Teams participating in CSA Club Nationals are responsible for costs to attend. Any fines a team incurs at Nationals will be the teams' responsibility and teams will be invoiced for any fines FCR receives from SSA or CSA for the team.
4. The Team is responsible for paying that fine and if not paid the players listed on the roster that was submitted for provincials or Nationals can be listed in bad standing.
5. If an Individual, Coach or Manager is fined for an infraction it will be up to that individual to pay the fine.
6. If listed in bad standing with FCR you will not be eligible to register to play soccer with FCR until the debt is cleared up. You will not be provided a release stating you are in good standing until the debt is cleared up.
7. It is important not to take these commitments lightly as there are consequences, some are costly should your team need to pull out.
8. If you miss the parent meeting at the beginning of the season it is your responsibility to find out from the Manager and/or Coach what was discussed.
9. It is your responsibility to read all team emails in their entirety so that you can stay informed on what is happening with your child's Team.
10. If you don't understand something or feel you missed something, check with your Manager and/or Coach.

Remember: Never assume your child is replaceable on short notice. There are often deadlines and restrictions for roster additions and player transfers.

4. Anti-Doping Policy:

Members have a responsibility to:

- a) Abstain from the non-medical use of drugs or the use of performance-enhancing drugs or methods and adhere to the requirements of the Canadian Anti-Doping Program
- b) Respect any penalty enacted pursuant to a breach of the Canadian Anti-Doping Program, whether imposed by the SSA or any other sport organization
- c) Refrain from associating with any person for the purpose of coaching, training, competition, instruction, administration, management, athletic development, or supervision of the sport, who has violated an anti-doping rule and is serving a sanction involving a period of ineligibility imposed pursuant to the Canadian Anti-Doping Program and/or the World Anti-Doping Code
- d) Refrain from consuming alcohol, tobacco products, marijuana in excess and illicit drugs while participating in the SSA programs, activities, competitions, or events

e) Refrain from consuming alcohol, tobacco products, and marijuana where minors are present

FCR will comply with measures or sanctions as outlined within the FIFA Laws of the Game, Canada Soccer Code of Conduct and Ethics, Canada Soccer Rules and Regulations, Canadian Anti-Doping Policy, FIFA Anti-Doping Regulations and any/all Canada Soccer Competition Regulations, and SSA Code of Conduct & Ethics.

The Canadian Centre for Ethics in Sport (CCES) is the custodian of the Canadian Anti-Doping Program (CADP); the set of rules that govern anti-doping in Canada. The CCES recommends that athletes take the following actions to ensure they don't commit an inadvertent anti-doping rule violation: Know your rights and responsibilities as an athlete regarding anti-doping. Always comply with a testing request if you are notified for doping control. Check all medications and products before taking them to ensure they do not contain ingredients that are banned. Verify your medical exemption requirements. Do not take supplements, but if you do, take steps to minimize your risk. Sign up to receive CCES media releases and advisory notes.

5. FC Regina Team Funds:

It is required that BlueStars teams have a team treasurer, and you will work with your team Treasurer to set up a team bank account. It is required to have two signing authorities per team, FCR Youth Coordinator – Norma Ursulan will be one of the two signing authorities. This is for your protection as well as the Teams' protection. The team is non-profit, so you may be able to obtain a bank account with minimal or no service fees. If you require a bank letter, please contact the FCR Administrative Assistant – Rhandi Langmo (adminassist@fcregina.com).

Team fees must be collected at the beginning of each season. The amount will be determined by the technical staff, club, coaches, etc. based on what tournaments and events the team has planned for the season. Team fees for Club Nationals will be determined after you know you qualify; you will be looking at upwards of \$2500-\$3000 or more per player.

The team Treasurer and/or Manager must do a budget so that parents will know what to expect from the season. This would include tournaments, provincials, team pictures, coach gifts, additional practice times, windup, etc. You must provide the spreadsheet to parents.

You are required to submit your team budget to the FCR office at the beginning of the season or any time adjustments are made. National Team budgets must also be submitted to the FCR office prior to Nationals and upon return from Nationals. Please submit to the FCR Youth Coordinator at youth@fcregina.com

Team Managers/Treasurers should be familiar with the club travel compensation policy for team staff so that tournament/travel expenses are adequately accounted for when setting the team budget.

The Team Treasurer and/or Manager should provide receipts for team fees to parents who may require them.

6. Player Cards

Each BlueStars player will need to have a player card for non-FCR tournaments, PSL, Nationals, and Adult League if team is playing there. You will need to notify the FCR Youth Coordinator at youth@fcregina.com two weeks prior to the event start date to have the player cards processed. Player photos are required to be uploaded during the registration process. If you lose your card or need a replacement card the cost is \$10. Player cards have an expiry date on them so make sure your players' cards are up to date. Keep these cards in your manager binder. U7s being called up to U9 for tournaments will need to have a player card for non-FCR Tournaments, so make sure to give them enough notice to have one done.

7. Practices

The FCR Youth Coordinator will work with the Facilities Coordinator, Technical Director, Technical Coordinators, and the Coaches to select practice times for your team. This will be forwarded to you for you to distribute to your team. During facility/field closures it will be up to individual teams to arrange alternate practices to replace the facility/field practice time they lose. Teams are not guaranteed training time on turf.

8. Games

PSL games will be posted on the SSA site. You will need to check the website to get your schedule and then advise your team of their schedule. Game schedules can change due to rescheduling so check often to make sure you don't miss a rescheduled game. It is your responsibility to check the schedule on a regular basis for any updates and/or changes. If your team defaults or forfeits a game the team is responsible for paying the fine that is levied by FCR or SSA.

Game Sheets

PSL teams are required to print off 3 copies of the game sheet to take to their games.

PSL – you aren't allowed to write players or team staff in on a game sheet. Please make sure you know the process for doing game sheets for PSL games.

9. Injuries

If a player is injured during a game or team practice and requires medical attention, please make sure to complete an injury form and submit to the FCR office. If a player has been advised by Medical Personnel to refrain from participating for any amount of time, they will need to provide a medical note clearing them to return to participation.

10. Tournaments

Once the technical staff & coach have determined which tournaments your team will be entering, and you have advised the parents you will need to send in the registration forms for these tournaments as soon as possible. You will need your player cards for all non-FCR tournaments and may be asked to present them prior to your first game. You will also need to complete the Tournament Participation Form and submit this form to the FCR office or email it to FCR Youth Coordinator – youth@fcregina.com. Tournaments may or may not have a pre-comp meeting. If there is a meeting you will need to attend. If you are unable to attend, you will need to arrange with one of the Coaches to attend.

Out of Province/Country Tournaments There is a Travel Permit required for teams going out of province (domestic) or out of country (International). This is available on the SSA website under Forms and then Travel Permits. There is a cost for these permits

and the process is different for domestic and international permits. Please make sure you check the SSA website for the process and cost. Cost is also dependent on when you submit your form. Member organization would be FCR for our teams. You can book your hotel rooms and if you are not accepted into the tournament you can cancel them. PSL games will not be rescheduled for your team to attend a tournament.

11. Club Apparel

All BlueStars players are to have/purchase the required FCR BlueStars Club Apparel.

12. Expectations for competitions out of Town.

Please remind your players, parents, and team staff they are representing FC Regina when out of town with the team. This is both on and off the field, at/away from the facility. A reasonable curfew should be set for players according to the age of the player. SSA curfew for U15 & up at provincial/national competition is 11:00 PM so no curfew should be later than this. Please also remind players/parents/team staff to follow hotel rules. Please refer to the FCR Travel Policy which can be found on the FCR website.

13. Sponsored Players

Some players who register with FC Regina have their registration fees sponsored through Kid Sport, Jump Start, Dream Brokers, etc. For confidentiality reasons the FCR Youth Program Coordinator is not able to disclose the names of these players.

Any sponsored player who is not able to contribute to his or her team account can have their manager apply for FCR Team Funding by contacting the FCR Office for a form. It is expected that parents will pay what they can towards team fees.

If the player is eligible to receive FCR team funding, the manager is to document and provide the FCR Office with the information as to how the club team funding was allocated after the season has ended and return any unused portion.

You will receive an outline of what the expectations are for players receiving assistance from the club. There is a maximum amount available for each player so if your team fees are more than the amount available then your team may need to look at fundraising to offset the difference.

A sponsored player is expected to provide a jersey deposit cheque and volunteer bond cheque and fulfill their volunteer hours. Failure to meet these commitments might result in the member being declared not in good standing, which would result in their inability to register in future seasons.

14. Team Staff Expenses:

The team will cover the expenses of up to 4 team staff when traveling to events outside Regina. These expenses will be shared evenly among all players on the team, including the players that are the children of the coach(s) and manager.

Charter Bus (Engelheim): teams will book a chartered bus for events outside of the province. If possible, pair up with another team to share the cost of the bus. Parents will not be on the bus it will be players and team staff only. This is for U15 to U19 teams.

U9 to U13 travel will be at the discretion of the team staff and technical staff. Bus travel is recommended for out of province travel for U9 to U13.

When not travelling by bus Mileage will be as follows:

Mileage: \$0.42/km for out-of-town travel only.

Accommodations: Hotel rooms will be covered by the team. The coaches/managers' room will be in the same hotel as the rest of the team and be reasonably priced. They will have individual rooms.

Meals: \$75.00 per day. Payment to be made in advance (upon arrival at the hotel).

Teams attending Nationals:

\$75.00 base amount to be provided upon arrival at the hotel. The per diem will be up to \$150.00, anything over the base amount of \$75.00 will need to be reimbursed after receipts are provided. This is for team staff only.

Call up players should be included in the budgeting if they were asked to attend at the beginning of the season/or planning of the event. If a call up player is attending due to another player withdrawing from their commitment to the event after budget was determined the call up player would not be responsible for that share of the team staff expenses, it would be the player withdrawing after the fact that would be required to cover that share of the team staff expenses.

15. Criminal Record

Check (CRC)

All team personnel are to have a CRC completed. CRCs are good for two years with FCR. For CSA Nationals CRCs must have been done within the last 12 months.

CRCs can be completed by:

1. Taking the CRC Request letter to the local Police Station – you may need to book an appointment for this.
2. Taking the CRC Request letter to the local RCMP detachment if you live outside of Regina.
3. Completing the online CRC request found on the Regina Police Services website [Here](#). You must have the CRC completed for the Vulnerable Sector.

FC Regina will reimburse up to \$10.00 for the completed CRC upon submission of expense form with receipt.

16. Manager Tips

1. Please make sure to do a budget at the start of the season. Include all tournaments you have entered, Team staff costs for those tournaments that are out of town, any extra fitness or training your team may be doing as well as coach gifts if you are doing those and wind up if you are doing one.
2. Please use an Excel spreadsheet to do the budget on and make it available to any parent from your team, TD, or TC.
3. All team budgets must be submitted to the FCR office by email to youth@fcregina.com.
4. Responsibility – The team Manager is responsible to both FC Regina and the team. It is important to communicate any issues to the FCR Youth Coordinator and Technical Coordinator that the parents, players, or coaches may have. You will need to pass along any information that is requested of you to pass along from FCR, SSA, or CSA. Please make sure you clean up the emails by deleting any non-pertinent information (ex. All the email addresses that the email was originally sent to).
5. Communication – Get to know all the parents and players. The Manager is the liaison and buffer between the parents and coach. Managers will need to listen to the parents, players, and coaches. Address any concerns as soon as they arise as they won't go away. Access support from the Youth Coordinator if required.
6. Get in the habit of routinely checking the FCR website for any schedule changes and the SSA site for PSL/Provincial changes/information.

17. Code of Conduct

FCR Code of Conduct is posted on the FCR websites. This is also on the registration form and players, parents, and team personnel all agree to abide by the Code of Conduct when they complete the online registration.

As part of FC Regina's high-performance soccer program, BlueStars teams may have the opportunity and be expected to participate in tournaments and other competitive events that require travel outside of Regina. Depending on the age group and nature of the event, players may be accompanied by parents/guardians or be required to travel on their own with the team, under the supervision of designated adult chaperones. Selection for out-of-town team travel is a privilege that allows BlueStars athletes to:

- be exposed to different styles of play and training environments.
- bond as a team and build club camaraderie; and
- showcase FC Regina and the BlueStars Program.

As Club representatives, BlueStars players are expected to hold the reputation of the program in the highest regard and ensure that their conduct always represents the Club in the best way possible.
