Who We Are

The Comfort Suites® Regina hotel offers business and leisure travellers welcoming accommodations just off Highway 11, close to local attractions like Casino Regina, Northgate Mall, and the Royal Saskatchewan Museum. We're also among Regina hotels with pools and waterslides.

The Royal Saskatchewan Museum houses not only many natural history exhibits, but is also a major paleontology centre, due to the province's past as an inland sea which preserved the fossils of many dinosaurs and prehistoric mammals.

Our Regina hotel is dedicated to providing guests with clean, hygienic accommodations, so you can enjoy peace of mind during your stay. We've implemented a variety of enhanced protocols as part of our Commitment to Clean.
