1. Team Information

The FC Regina Youth Coordinator will provide Technical Coordinators for your division with a roster containing contact information to send out to Team Personnel. Please check the information and if there are any errors notify the FCR Youth Coordinator with the changes. If player information changes throughout the season, please notify the FCR Youth Coordinator of those changes too.

Reminder: Any changes/additions to your roster need to be done by the FCR Youth Coordinator who will make the necessary changes/additions on the website. All coaching changes/additions need to be approved by the FCR Technical Staff before the FCR Youth Coordinator can make the changes/additions to the roster on the website.

All Team Personnel must have their Respect in Sport certification, Making Headway, and a current Criminal Record Check completed and on file in the FCR RAMP system.

Important: If players are injured (medical) or move out of the district and are unable to complete the current season let the FCR Youth Coordinator know immediately they may be entitled to a pro-rated refund. If a player quits, you must inform the FCR Youth Coordinator, depending on the withdrawal date, they may be entitled to a pro-rated refund. Please refer to the FCR Youth Refund Policy found on the FCR Website under About Us and then Key Documents and Policies.

2. Parent meeting

The Manager is liaison between the Coach and team and the club and team.

Please ensure you send information out to your whole team that the club may send to you to distribute to your team. Discuss with your Coach about items and expectations, he/she would like presented to the parents before the parent meeting. This includes practice times, expectations, tournaments, provincials (U15 and up), etc.

FC Regina has a 24-Hour Cool Down Policy that must be presented to the parents at the parent meeting. The team parent meeting can be as simple as meeting before or after the first practice or game or on a separate night. You will need to decide what would work best for your team.

Before the meeting prepare a listing of all the players and their information – you can use the roster provided to you or make your own. Ensure the information is correct if there are any corrections, please notify the FCR Youth Coordinator youth@fcregina.com. The Coach should attend this meeting. You should discuss all the information with him/her beforehand.

It is important that parents and players understand about committing to tournaments and provincials.

This is a suitable time to recruit your parent volunteers for the following: Team Treasurer – setting up and managing the team finances, Windup, Team photos, Fundraising, etc. Only the team Manager and team Treasurer Positions will count towards volunteer bonds. The other things are only if you wish to spread out your duties amongst the parents.

24- Hour Cool Down Policy:

Cool Down:

Team Personnel should not discuss a game, a game incident, playing time, a situation that occurred during the game, during a training session or team related activity that provoked an adverse emotional response until at least 24 hours after the fact.

FC Regina Club Members, parents and/or spectators are not to approach Team Personnel to discuss a game, game incident, playing time, a situation that occurred during the game, during a training session or team related activity that has provoked an adverse emotional response until at least 24 hours after the fact.

24-Hour Rule Rationale

Soccer is an emotional sport. The on-field action that players encounter can spill onto the benches and into the stands and create strong reactions from coaches, players, parents, and spectators. Our Club has adopted the “24-Hour Rule” for this reason. This important rule does two things. First, it moves any emotional and confrontational discussion away from the presence of the players. Second it allows all parties to “cool off,” compose themselves and put the provoking incident or situation that occurred into perspective before meeting to discuss it.

By having everyone respect the “24 Hour Rule”, their concerns are more likely to be fully addressed. More importantly the players’ enjoyment of the game is not marred by an ill-timed confrontation.

If the concerns cannot be discussed/ addressed by following this process the next process would be to present your concerns to the FCR Youth Program Coordinator (youth@fcregina.com) who will forward it to the appropriate individual(s) at the next level.

3. Team Commitments:

Parent/Player Information

The following information is for FCR Teams in the FCR league. This is not applicable to BlueStars teams. BlueStars programming is not optional.

1. Team events are determined by the coach and parents at the beginning of the season.
2. If you are unable to attend an event the team is going to commit to, it is your responsibility to inform the Coach/Manager **at the beginning of the season** so they know how many players they have for each event and can budget and plan accordingly

3. If you commit to the event and then pull out at the last minute or after deadline dates you will still be responsible for your share of the cost the Team incurs for that event.
4. If you have committed to provincials and then pull out and the team must withdraw from them after the deadline, the Team will be fined by SSA, and the fine can be \$500.00, \$1000.00 or more depending on the infraction.
5. The Team is responsible for paying that fine and if not paid the players listed on the roster that was submitted for provincials can be listed in bad standing.
6. If an Individual Player, Coach or Manager is fined for an infraction it will be up to that individual to pay the fine.
7. If listed in bad standing with FCR you will not be eligible to register to play soccer with FCR until the debt is cleared up. You will not be provided with a release until the debt is cleared up.
8. It is important not to take these commitments lightly as there are consequences, some are pull out because you didn't let them know of your availability in a timely manner.
9. If you miss the parent meeting at the beginning of the season it is your responsibility to find out what was discussed and decided.
10. It is your responsibility to read all team emails in their entirety so that you can stay informed on what is happening with your child's team.
11. If you do not understand something or feel you missed something, check with your manager and/or Coach.

Remember: Never assume your child is replaceable on short notice. There are often deadlines and restrictions for roster additions and player transfers.

4. FC Regina Team Fees:

All FC Regina teams (U9 and older) are required to appoint a Team Treasurer. The Team Treasurer will work with the Team Manager to open and manage a team bank account. 3. Player Cards

Each BlueStars player will need to have a player card for non-FCR tournaments, PSL, Nationals, and Adult League if the team is playing there. You will need to notify the FCR Youth Coordinator at youth@fcregina.com two weeks prior to the event start date to have the player cards processed. Player photos must be uploaded during registration. If you lose your card or need a replacement card, the cost is \$10. Player cards have an expiry date on them so make sure your players' cards are up to date. Keep these cards in your manager's binder.

4. Practices

The FCR Youth Coordinator will work with the Facilities Coordinator, Technical Director, Technical Coordinators, and the Coaches to select practice times for your BlueStars team. This will be forwarded to you for you to distribute to your team. During facility/field closures it will be up to individual teams to arrange alternate practices to replace the facility/field practice time they lose. Teams are not guaranteed training time on turf.

5. Games

PSL games will be posted on the SSA site. You will need to check the website to get your schedule and then advise your team of their schedule. Game schedules can change due to rescheduling so check often to make sure you don't miss a rescheduled game. You are responsible for checking the schedule regularly for updates

and/or changes. If your team defaults or forfeits a game, they are responsible for paying the fine levied by FCR or SSA.

PSL Game Sheets

PSL teams must print off 3 copies of the game sheet to take to their games. PSL – you are not allowed to write players or team staff in on a game sheet. Please make sure you know the process for doing game sheets for PSL games.

6. Club Apparel

All BlueStars players are to have/purchase the required FCR BlueStars Club Apparel. FCR BlueStars Club Apparel can be viewed on the [BlueStars Program page](#).

7. Expectations for Competitions Out of Town.

Please remind your players, parents, and team staff they are representing FC Regina when out of town with the team. This is both on and off the field, at/away from the facility. A reasonable curfew should be set for players according to the age of the player. SSA curfew for U15 & up at provincial/national competition is 11:00 PM so no curfew should be later than this. Please also remind players/parents/team staff to follow hotel rules. Please refer to the FCR Travel Policy which can be found on the FCR website.

8. Team Staff Expenses for Nationals

\$75.00 base amount to be provided upon arrival at the hotel. The per diem will be up to \$150.00, anything over the base amount of \$75.00 will need to be reimbursed after receipts are provided. This is for team staff only.

Call up players should be included in the budgeting if they were asked to attend at the beginning of the season/or planning of the event. If a call up player is attending due to another player withdrawing from their commitment to the event after budget was determined the call up player would not be responsible for that share of the team staff expenses, it would be the player withdrawing after the fact that would be required to cover that share of the team staff expenses.
