

About Us

Futbol Club Regina is Saskatchewan's largest non-profit soccer club that offers both recreational and elite soccer programs to both youth and adult players. The club operates under the direction of a volunteer Board of Directors, with paid administrative and technical staff and takes great pride in the high professional and business ethics under which it operates. While our club runs under the direction of the dedicated volunteer Board of directors the day-to-day operations are over seen by our Executive Director TJ Singh and all technical aspects are overseen by Kevin Holness. Kevin brings with him his love of the game and many years of being a professional player as well as coaching many teams throughout the years.

Futbol Club Regina is a non-profit soccer club established in 2014 with the merger of several long-standing clubs in Regina. The Club is proud of its "Soccer for Life" approach to providing opportunities for soccer participation in our community. We strive to instill a lasting love and support for the game by offering quality programming across a wide variety of ages and abilities - from youth to adult/masters and from the grassroots level to the elite. FCR strongly supports long term player development and is committed to guiding its athletes through each step as they chart their course along the FC Regina and Canada Soccer player pathways.

We work hard to make sure when our athlete's graduate from the Youth program if they choose, they are ready to continue on in the sport with The Canada Soccer pathway or they are welcomed into our Men's, Women's and Co-ed divisions and later in life able to continue to play in our Master's divisions thus creating a true "Soccer for Life" athlete. Many of our players have gone on to further their education and careers at both colleges and universities in both Canada, and abroad.

Our club is committed to excellence and is guided by the following principles and philosophies:

- Gender equality.
- High quality technical programing centered on player development.
- Developing the values of sportsmanship, teamwork and fair play.
- Developing not only our players but our coaches and volunteers as well.
- Promoting the game and growing the participation of the sport.
- Community relationships.

Over 200 volunteers are involved in many aspects of our club from coaches, managers and committee members. The club invests in the education of our coaches and referees each year by providing coaching courses and mentoring for the referees to further their knowledge of the game.
