

FC Regina

U9 to U17 Yearly Registration Information

2023/24 Indoor and 2024 Outdoor Yearly Registration:

Members who choose the Yearly registration option will have two installment options available to them.

Option 1: Two payments – players will receive a 5% discount if they select this option (- \$5.00 RAMP registration fee). There will be an initial payment due at time of registering and then 1 payment due on the 1st of April. The discount will be applied after the outdoor season is completed.

Option 2: Twelve payments – there will be an initial payment due at time of registering, this will include the \$5.00 RAMP registration fee, and then 11 equal monthly payments due on the 1st of each month.

If you are wanting to choose one of these options for registration you will need to login to your RAMP family registration account or create a RAMP family registration account if you do not have one. Once in your account select Participant and for Season select 2022-23 Youth Yearly Registration and then complete the registration.

Once you have completed the yearly registration you will need to then do the registration again for the 2023-24 Indoor Season, once you complete the seasonal registration contact the office at youth@fcregina.com or execassist@fcregina.com so we can apply the credit for the registration fee portion. Do not make payment until the office has applied the credit. This is required so that you show up in the Sask Soccer data base for the current season and to ensure that all waivers, releases, and policies both under Sask Soccer and FC Regina are signed off on. Under this season you will also be able to register for evaluations, select training or game clothing items, as well as sign up for volunteer requirements or select the volunteer buyout.

Payment will be by online payment only. If automatic installment payments fail twice, they will be cancelled, and full payment will be required.

For specific information and requirements please refer to the U9 to U17 Club information which is posted on the FC Regina website under Youth Soccer then Program Information. www.fcregina.com
