There will be an initial payment due at time of registering and then 1 payment due on the 1<sup>st</sup> of March. The discount will be applied after the second required payment is completed.

Option 2: Twelve payments – there will be an initial payment due at time of registering, this will include the \$1.50 RAMP registration fee, and then 11 equal monthly payments due on the 1<sup>st</sup> of each month.

**If you are wanting to choose one of these options for registration you will need to login to your RAMP family registration account or create a RAMP family registration account if you do not have one. Once in your account select Participant and for Season select FC Regina Yearly Registration (FC Regina) and then complete the registration.**

**Once you have completed the yearly registration you will need to then do the registration again for the 20-21 Indoor Season (Sask Soccer), the FC Regina office will email you a promo code for use with this registration so you won't be paying your registration fee twice. This is required so that you show up in the Sask Soccer data base for the current season and to ensure that all waivers, releases, and policies both under Sask Soccer and FC Regina are signed off on. Under this season you will also be able to register for evaluations, select training or game clothing items, as well as sign up for volunteer requirements or select the volunteer buyout.**
