2023 Manager's Manual

TEAM MANAGERS MANUAL

Thank you for stepping up for this very important role that is integral to the Association, the teams and the players! This guide has been developed to assist you. On the Fury website there is also a Manager's office tab with some quick links. If you require assistance, please ask!

INTRODUCTION

The Team Manager is the central figure in facilitating the flow of communication within the team (players, parents and coaches), between the team, the Association, other teams, referees, etc.

The Manager is responsible for ensuring all off-field tasks are completed. By taking on the operational aspects of the team, the Manager enables the Coach to focus on player development and on-field instruction.

Each Manager must establish a primary relationship with the Head Coach. Discuss your role and expectations on both sides. It will vary with each Coach and each level. It is very important for the Manager and Coach to work collaboratively. Ultimately, the Head Coach is responsible for the overall operation of your team and will have the final say on matters that require a decision. As part of your job you will be the liaison between the Executive Director (Kelly Mantei) and your team. Any questions that you may have can be forwarded to her via e-mail at execdirector@furylacrosse.ca.

The Fury encourages the team manager to be responsible for the behind the scenes responsibilities and activities including but not limited to:

- Liaison between the coach and parents
- Administering team monies and organizing team fundraising (can be done by Treasurer as well)
- Organizing exhibition games, tournaments, extra floor time (if desired)
- Game sheet reporting
- Relaying floor times to the parents
- Ensure Medical Information for each player has been completed through ePACT
- Distribute and collect Code of Conduct Forms for team, coaches and parents (to be kept on bench)
- Familiarize yourself with the Fury Policies locate on the website
- Collecting and returning of team jerseys (home and away)
- Organizing box duties (home games – 3 required, penalty box, game clock, shot clock; away games – 2 required, penalty box and game sheet)

At the beginning of the lacrosse season the team coach and manager should agree on a division of duties, following the guidelines above. The manager should not try to do take on all the duties. DELEGATE!!! It is best to delegate as much as you can but remain in close contact to ensure delegated duties are completed in a timely manner.

LIAISON BETWEEN COACH AND PARENTS

The manager should arrange a coach/parents meeting shortly after the team is formed. Items to be discussed and agreed upon should include (among others):

- Introductions
- Coaching Overview: Have the coach provide information on the goals and objectives for the season and his credentials and philosophy
- Outline Team Rules/Expectations

- Expected time to arrive prior to games/practices
- Expected behavior of players
- Parent access to the dressing room before and after games
- Dress code if decided by team/coach
- Code of Conduct for the players, parents, and coaches
- Budget: To operate for the season the team will require funds for numerous items including: tournaments, extra field time, exhibition games, team social activities
- Fundraising: This is a decision to be made at the team level. Possible fundraising ideas: cash call, corporate sponsorship, bottle drive, raffle etc.
- Tournaments: The team needs to decide on the number of tournaments it will attend in total, how many of these will be out of town tournaments.
- Team Positions: There are a variety of team level positions that will help to ensure the successful running of the team

Draft Agenda is included in Appendix 1.

CODE OF CONDUCT FORMS

Code of Conduct Forms (located in Appendix 2) must be collected from all Coaches, Parents and Players. The manager will be responsible to ensure that these signed forms are on the bench for all games and practices (keep it in a folder in the coach's bag) by APRIL 30. It is essential that Coaches, parents and players read and sign the forms and adhere to this code of conduct throughout the season. The forms can be found on our website under the Resource section - Manager's Tab. It is recommended that the Head Coach review the Player Code of Conduct with their players.

Players at the 6U and 8U do not need to sign but the Code of Conduct should be reviewed with them by the coach.

MEDICAL INFORMATION

Each manager is responsible to collect a medical form for each player and put it in a folder for the coaches to keep on the bench. The medical form is on the website under Manager Resources.

VOLUNTEER DUTIES (TEAM VS ASSOCIATION)

All families are expected to volunteer at the team level – no exceptions.

At the time of registration, families are given the option to “opt out” of volunteering at the association level by paying an extra fee. If families decided at registration to volunteer at an association level, they would have picked a volunteer position.

There are, however, positions on the team that do require a tremendous amount of time – so we do allow those positions to count towards families association volunteer commitment – Head Coach, Assistant Coach, Manager, Team Treasurer and Team Jersey Coordinators. The Team Manager needs to submit to the Director of Volunteers the list of those individuals that has stepped up to fulfill these very important roles.

TEAM CONTACT LIST

A team list needs to be developed and distributed to parents as early in the season as possible. This list should include: player's name and jersey number; home phone number; home address; parent's names and cell numbers; email address; and volunteer positions. It is essential that all personal information is confirmed before being distributed.

Privacy regulations require that you get agreement from all team members before sharing contact information.

This also applies if any third-party requests contact information.

It is also recommended to have a parent create laminated wallet size "cheer card" with player names/jersey numbers/parent's names. Please see the Fury Website for Template under Manager Resources.

CALGARY DISTRICT LACROSSE ASSOCIATION (CDLA)

CDLA has a website at www.calgarylacrosse.com which you are encouraged to access frequently to get up to date information on key dates, schedules, current standings, tournament information, travel permits, etc. The CDLA Rulebook and many relevant forms are also available from the website.

Please take the time to familiarize yourself with the Managers Resource Page link under the Information Tab on the CDLA website as well as the CDLA Rules and Regulations.

TEAM JERSEYS AND TEAM EQUIPMENT

The team manager is responsible for issuing the jerseys and gathering them at the end of the season and returning them to Fury.

It is **MANDATORY** that each team assign a jersey person to distribute and collect jerseys before and after each game. The purpose is to try and cut down on loss and damage to jerseys.

Please note that team jerseys are not to be worn for practices and name bars may not be affixed to them (no alterations or addition of names/logos are allowed). Jerseys should be hung to dry – not put into dryers.

TEAM APPAREL

All Fury apparel is available online for individuals to order for the lacrosse season.

The link will be shared once the "store" is open.

All Fury Apparel and Logoed items are to be ordered through Extreme Threads as per the contractual obligations with Fury Lacrosse Association.

TEAM FUNDS

The team manager or team Treasurer is responsible for collecting, banking and disbursement of team funds. This is done by establishing a team bank account, collecting funds needed from parents (usually through a cash call) and paying from

this account for additional floor time, tournaments, social functions, etc.

In your initial team meeting your parent group may choose to do a cash call to cover any additional costs incurred by the team. If so, it should be made clear that the cash call is voluntary and is for extras that go over and above what the Fury and the CDLA provides.

The Fury urges teams to use careful discretion with cash calls and would remind teams to be respectful of the individual situations of team members/ families.

- **Team Budgets / Fund Raising**

- Teams are permitted to raise funds.
- The team budget must be discussed and agreed upon by at least 75% of the parents/guardians at the team's first team meeting.
- Team funds are to be held and distributed from a Team Bank Account.
- Teams must spend the **publicly raised funds** in the current season; as per the team's approved budget.

Any **publicly raised funds** which remain unspent at the end of the season are to be donated to Fury.

- **Unspent publicly raised funds CANNOT be re-distributed to the parents/guardians of the team.**

- Cash contributions ("cash call"), which the parent/guardian has made to the team that have not been spent, are to be reimbursed to the parent/guardian who made the contribution; up to the amount of the original "cash call" amount.
- Teams are to remain reasonable and sensitive to financial and social challenges; with regards to the amount of financial burdens placed on their players' families.
- At the end of the season, an accounting of all cash collections and expenditures is to be provided to the parents/guardians and the Fury Treasurer if requested.

TEAM PHOTOS

The Fury arranges for team photos to be taken – each player receives a team photo as well as an individual photo as part of registration. Details and booking instructions will be emailed to Managers. Photos are taken in late April or early May.

Information will also be posted on the website closer to the date.

GAME AND PRACTICE SCHEDULES

The manager is responsible for keeping the team informed of game and practice schedules along with additional team events throughout the season. The easiest method of communication is via e-mail. Many teams are also using Team Snap for internal team communication. Practice and game schedules will be available on the CDLA website. To keep your team organized and well informed, please consider using a scheduling system that has the ability for families to download schedules into their calendar (such as TeamSnap).

The manager is responsible for ensuring that all players are made aware of the team's schedule for the next month. The CDLA sets the practice schedule as well as the game schedule for the regular season as well as playoffs. This, plus any team events, should be put together and emailed to the team. Once floor times have been assigned, teams are responsible for that floor time. Please refer to Floor Policy in the Fury Policies and Procedures.

Unused Floor Times:

- It is the responsibility of each Coach or Team Manager to notify the Executive Director as soon as possible if they are unable to use a scheduled floor time.

The following is the Return Floor Policy for Fury teams for allotted practice time. If a team cannot use a scheduled

practice time, **it is the teams' responsibility to find a replacement team.**

- **Steps for finding a replacement team:**

1. If you may know of a team who would reciprocate practices with you, contact them first. If that team is unable to reciprocate a practice, but can take the practice you are offering, your team may need to just give up the time, to that team to avoid any penalty.
2. If you do not know of any team to contact, then contact your Age Group Coordinator to request Team Manager's contact information; for the purpose of proactively looking for a replacement team.

If all attempts to finding a replacement team are unsuccessful, the team may still have the following penalty applied; as approved by the Executive:

- Pay the cost of the floor time; on the contract.

If a team fails to notify the Executive Director of a time that went unused, prior to the date of the time; for example; the team had no intention of using the floor time, the team will be penalized; as approved by the Executive:

- Pay **twice** the cost of the floor time on the contract.

RESOLUTION OF TEAM DISPUTES

Occasionally disputes arise within a team over issues such as behavior, discipline, equal floor time, quality of the program provided by the coaches, etc. The parents should bring their concerns to the team manager who should work with the coach and parents to resolve the issues. If you are angry about anything a coach has done, it is **ESSENTIAL** to use "the 24-hour rule" before approaching the manager in person, phone, or email. Please familiarize yourself with the Flow of Communication within the Fury Association.

GAME PROCEDURES

It is the Manager's Responsibility to ensure that box duties are carried out by ALL families on the team. Create a schedule for all home and away games, if a parent cannot fulfill their slotted duty it is their responsibility to find a replacement. For home games, you will need three parents (penalty box, score clock and 30 second shot clock). For away games, you will need two parents (penalty box and scoresheet).

The home team is responsible for filling out and providing the game sheet. Rather than filling out your roster for each game by hand, it is much easier to create a team list on stickers to save time in your pre-game preparations.

Following the game, the winning team keeps both the white and yellow copies of the game sheet. The losing team gets the pink copy. The home team is then responsible for updating the CDLA website with the game statistics and e-mailing the final score and reporting any incidents or suspensions to the CDLA within 24 hours. In the event of a tie, the home team keeps the white and yellow copies and is responsible for reporting the game results. Each manager will be given a Username and Password to login into RAMP for game sheet reporting.

Game Results Reporting Procedures

All game results must be entered into RAMP.

There is no longer a requirement to mail in the paper game sheets, but you must hold on to them until the end of the season.

For U7 and U9

- record the game number, date, time, and location on the game sheet
- enter the game roster (players and coaches) on the game sheet
- DO NOT record goals, assists and penalties
- home team submits the game sheet by logging into RAMP and uploading it; no need to enter any other stats -

keep a copy of the paper game sheet

For U11, U13, U15, U17

All teams must enter the required information into the RAMP system. This includes:

- game rosters
- major penalties
- uploading of game sheet

Each Head Coach and Manager will receive an email with login information and links. If you don't receive this email, please contact our Executive Director Kelly Mantei at execdirector@furylacrosse.ca.

Exhibition and Tournament Games

Exhibition games organized in Calgary

If you require referees, email exhibition@calgarylacrosse.com with your game details (teams, date, time, location).

- the CDLA Office will enter this game into the system and request referees on your behalf
- you will be contacted once referees have been assigned to your game
- following the game, you must login to RAMP and enter game rosters, major penalties and upload the gamesheet within 24 hours of game time

Tournament Games and Exhibition Games Played Outside of Calgary

All tournament games and exhibition games played outside of Calgary must be entered into the RAMP system by the team.

Following the game, you upload game sheets and enter major penalty information just as you would for regular season games.

The CDLA only require game roster information and major penalties for CDLA teams.

You can find all of this information in more detail on the CDLA website under the following link

COACHES, PLAYERS & USE OF AFFILIATES

Each team may formally register a maximum of five adults including coaches and manager on their official roster.

Although up to five registered adults may be on the bench during games, generally the benches don't have room for more than three. The additional adults can then substitute when one is absent.

It is now mandatory for coaches in Calgary to attain some degree of coaching certification according to the age group of their team. Please contact the Director of Coaching – Robin Finley at coaching@furylacrosse.ca for questions with regards to the requirements for coaching certification.

Only officially rostered players may be on the bench during a game. If a player is injured, he/she may sit on the bench, as long as, they wear a helmet.

You may use an approved affiliate player if one of your players is injured, ill or away but not if you have a suspended player. The procedure for calling up an affiliate is that the Coach or Manager will contact the Coach of the affiliate player's team and discuss the situation with them. If all agree, the player may play in the designated game. The player should be handwritten on the game sheet with AP next to their name. Please note that there are restrictions as to how many games an affiliate may play.

****Please familiarize yourself with the CDLA rules and regulations surrounding use of affiliates**

TRAVEL PERMITS

A team only requires a travel permit if they are travelling outside of Alberta (or to a non-sanctioned ALA event) to attend a tournament. The form can be found on the ALA website.

TOURNAMENTS

You will find a list of Tournaments under the Information Tab on the CDLA website, as well as, a list of ALA sanctioned tournament listings can be found on the ALA website.

For the CDLA Canada Day tournament, all spots in that tournament are allocated to CDLA associations by the tournament coordinator. Please DO NOT contact Canada Day for a spot in that tournament. We will notify you if your team has been allocated a spot for Canada Day.

If you are attending a tournament outside of Alberta (or not sanctioned by the ALA), you need to ensure that you obtain a travel permit. Located on the ALA website.

*** Reminder that for all tournaments entered (including out of province and out of town) – game sheets must be submitted as per ALA rules

FACILITIES

Please RESPECT the Arenas & Public Buildings that you attend for games, practices, tournaments, dry land etc. Team Management is responsible for their own behavior as are parents and guests. The Head Coach is responsible for the behavior of their players and all coaching staff.

As per the CDLA guidelines the following list of behaviors should be adhered to:

- Cleanliness – dressing rooms should be left in a similar state to where it was upon arrival, the last person leaving should ensure it is tidy.
- Teams must not linger in dressing rooms; all players should be out of the room no longer than 30 minutes after their scheduled time.
- Arrival times – Teams will not be granted access to dressing rooms more than 60 minutes prior to games (Note: this may be amended as required by the Arena facility). Coaches that want their teams there earlier must advise players to keep equipment outside the arena.

Equipment in hallways blocking access to emergency exits is a safety violation and will not be tolerated by the facilities.

- No use of lobbies, stairs, and/or hallways as warm up areas. This is an insurance risk and disrupts other users. Please have teams warm up outside, or in some cases arenas may have designated areas to utilize.
- Respect the arena staff – these people are paid to do a job; disrespect or verbal abuse will not be tolerated.
- No use of chewing tobacco and/or alcohol in and around dressing rooms.

Upon arrival:

- Coaches MUST report any damages observed in the dressing room or if the room was left a mess from the previous team; to the Arena Attendant immediately.
- If this is not done, and the Arena Attendant finds damage unreported, then the last team noted as being in the dressing room may be charged. If Fury is liable for any damages/charges, then Fury may forward these charges to the team involved.

CONCLUSION

The team manager and coach should work in partnership to provide the players and parents with the best possible lacrosse experience. Have an enjoyable season and remember to encourage the parents to cheer hard and be kind to the players, coaches and officials.

Thank you for volunteering your time!!
