

Here are the **Weekly Top-10 Rankings** for all five levels of high school football in Alberta for the 2024 season. These rankings will come out every Sunday (except for Labor Day kickoff) from now up until November 3. At that time those will be the last rankings and teams will take this rank into Provincials

The 12-a-side teams are slotted into their levels based on their estimated school size by the Alberta Schools' Athletic Association while the 9 and 6-a-side are one level only. Some re-sorting of 12-a-side levels will take place after the final official population numbers are recorded at the end of September. Please note that games vs. US opponents, scrimmages, or tournaments are not taken into consideration for ranking or listed in the overall record of the schools.

Should you have any questions about the rankings or listed teams please contact Football Alberta at (780)427-8108 or check out our website at www.footballalberta.ab.ca.
