Hope all is well as we move into a new year. The challenges for football as a sport remain constant but our commitment to matching everyone's efforts to making sure we continue to offer the greatest sport ever created in a safe, challenging and interesting manner are unshakable.

Going into 2019, there are a few items of interest you should be aware of:

Tackle Football Lower Age Limit – As of 2019, the tackle version of our sport can only be offered to those recognized as 8 years old as of the calendar year (i.e. they turn 8 during the year of competition). This is part of the mandate coming down from Football Canada in their Competition Manual for Long Term Athlete Development and was scheduled to take effect in 2022 but has been moved up. This will affect all leagues offering Atom football, so please be aware of that new limit.

Rivalry Week – A new project we're hoping to kick start in 2019 is Rivalry Week. Similar to a Minor Hockey Week this will be a time of the year where all leagues are encouraged to put their best games forward in a celebration of football Province wide. We'll be working on some prizes, sponsorships and other contests as we move towards this project but for now please encourage your league to schedule your best rivalries on either Friday, September 27 or Saturday, September 28.

Increased Membership Fees – The last thing any non-profit organization ever wants to do is raise their Membership Fees. Unfortunately for us with Football Canada increasing their membership (which we pay on

our members behalf) by \$5/person and our insurance rates increasing we have no choice but to up our fees this year to \$38/person for tackle and \$15/person for non-contact. We're confident that this will be the last rate hike for some time based on our future budgeting but for 2019 please prepare accordingly for increased fees.

Communication – The Wideside newsletter has been a mainstay in our communication with our membership for over 40 years and will continue to do so. However, we've made a solid investment in **Social Media** as well as cleaning up our email lists so going forward we will continue to offer the Wideside but only once a year in a Yearbook format. The rest of the information will come to you via monthly emails of relevant and current information and updates via our Social Media platforms as information is needed to be sent out. If you haven't done so already please follow us on our social media platforms, links below. **Let's get social!**

Football in any form is a fantastic experience for all who try it.

We're proud to be the custodians of it for the **Province of Alberta** and will continue to make things better for those who choose to participate.

Have a great 2019 season in whatever capacity you are involved with.

Cheers!

Membership Information

For the 2019 Season we will again be invoicing teams based on a pre-determined number of players and personnel. Once the final number of participants is submitted, teams will be charged additional fees or will receive a refund. For 2019, we have increased the per person fees in both tackle and flag. The reason for the increase is that Football Canada has increased the membership fees and they require all our members to also be members of Football Canada. The rates per team have stayed the same, and the per person cost for insurance is now \$38/person for tackle and \$15/person for flag and touch.

All teams must pay their fees before any on-field team activities can begin. Minor Team fees are due August 16th and High School fees are due September 6th. Leagues that start later than Provincial Criteria dates may apply for a different deadline. A late fee of \$125.00 will be charged if you play a game without proper approval from the Football Alberta office.
