## Team Alberta U17/U18

A diverse range of talent and skill sets from across the province were assessed in Football Alberta's Super Weekend camp, held from Jan. 12-14 at Foote Field in Edmonton. With more than 40 top coaches running the camp and 350 players in attendance, only the best players have been handpicked to progress into the next round of training.

This is the first step for Football Alberta in selecting their Team Alberta U18 that will compete in the Football Canada Cup this summer to be hosted in Calgary from July 15-22. The Football Canada Cup is a National Championship featuring provincial teams from across Canada competing at the U18 level.

The selected athletes will now be expected to attend winter camps at the Foote Dome at the University of Alberta in February and March with the final selections of the team scheduled for April 20-22 at McMahon Stadium in Calgary. At the Calgary Camp in April the Top-40 will be selected for the final roster of Team Alberta U18, while a 40 man Team Alberta U17 will also be selected, which will head to Maui in August to partake in the Pacific Challenge featuring Team Saskatchewan U17 and local Hawaiian high schools.

(Team Fee + Optional Insurance if required)

### League Coordinators & Team Managers:

Membership and insurance runs on the calendar year (January 1 to December 31). It is easiest for league/team administrators to register players at the start of the year for gym nights in January & February and then continue to register players as they join the team thru spring camp and summer and fall. It is extremely important for the welfare of players and team personnel that insurance is valid (and thus paid for) as soon as you start registration. Please note that the insurance policy provides both accident and liability coverage and is valid regardless of how long players are with your team (one day, one week or all season).
