Join Us in Building Community Through Curling

The Fort McMurray Oilsands Curling Club has been a proud part of our community since 2004. As a not-for-profit organization, we're committed to creating fun, inclusive opportunities for people of all ages while also bringing high-profile national curling events to our region.

Centrally located in MacDonald Island Park, our club offers unique and high-visibility advertising opportunities. With daily exposure to gym-goers, families, sports fans, and casual visitors passing through one of the busiest areas of the facility, your message will reach a wide and engaged audience.

We invite you to partner with us!

It's a chance to support local sport, connect with the community, and showcase your business in a meaningful way.
