

Falcon's Fundraiser

Tackle Your Yard Work

This fall Fort Sask Minor Football is offering the people of Fort Saskatchewan the chance to use our Bantam and PeeWee athletes to do that fall yard clean up!

- Get your front and back yard grass mowed for just \$25!
- Get your pet messes cleaned up and/or moving lawn furniture away for winter \$40
- Get messes cleaned AND your lawn mowed for just \$50!

We will advertise to the public and book IN ADVANCE ONLY which will allow us to schedule our work teams to be most efficient. Each team we are hoping to have

- 1 adult with a truck
- 2 lawn mowers
- 2 rakes and
- 4 athletes (2 PeeWee and 2 Bantam preferably)

If we have a lot of demand we could have a roving "Poop Group" that could be a minivan of 4-6 athletes and an adult, all with rubber gloves, bags and face masks just doing lawn prep poop clearing.

Sunday September 29th, planned from 11:30am to 2:30pm.
