

## Volunteer Activities

**The success of Fort Saskatchewan Soccer and the subsequent development and enjoyment of our members depends on volunteers.** There are many positions, which if volunteers did not fill, would result in children not being able to play soccer.

It takes over 25,000 volunteer hours each year to provide soccer programs to the over 1,000 children which register each year.

The Fort Saskatchewan Soccer Executive Committee accepts the need to promote 'volunteerism' and a more active participation of our Members. The aim of our Volunteer Deposit Policy (see Information/Policies, Rules and Regs tab) is to develop volunteer involvement in support of the Fort Saskatchewan Soccer programs.

Parents are expected to help with their children's team. While this is a valued form of assistance, with the exception of designated team officials, this IS NOT considered part of Fort Saskatchewan Soccer's official Volunteer Commitment.

*Please refer to our Information/Policies, Rules and Regs tab to view our Policy 4000 - Volunteer Deposit.*

The following is some of activities for which Fort Saskatchewan Soccer requires volunteers.

*Indoor season volunteer opportunities are from August through to the end of March.  
Outdoor season opportunities are from February through to the end of July.*

- Fort Saskatchewan Soccer Executive Committee Volunteer  
(see the "information/contact us" tab for role descriptions):
