

Good afternoon,

I am writing to you this afternoon after speaking with Chris Hatch, regarding photos for your upcoming 23/24 hockey season.

My name is Kyla Shaw I was born and raised in Slave Lake and am owner of No Negatives Required Inc. a photography company based out of Grande Prairie. We would love to be considered for your hockey photography this year if you have not yet already booked with someone.

We offer two different set ups to do your photos, one of which is on synthetic ice which allows for your ice to be free to continue practices etc. We also offer an online ordering system allowing for parents to view all their images prior to purchasing, orders shipping direct to parents relieving some hassle from the association and very affordable packages.

If you are interested in more information on how we can best help your association I can send you a full proposal as well as a sample gallery link.

I would like to personally thank you for your time and consideration,

Kind regards,
Kyla Shaw
