

FORT ST. JOHN SOCCER CLUB

Hello Potential Sponsor

Fort St John Northern Strikers' is Fort St John's competitive soccer team. Fort St John Soccer Club has membership with BCSA (British Columbia Soccer Association) and are fortunate to be able to travel to Alberta to participate in ASA (Alberta Soccer Association) sanctioned leagues and tournaments.

Living in the North, opportunities to play at a competitive level are limited and to secure a higher caliber of competition our athletes need to travel out of town to play, locations can include and are not limited to Edmonton, Calgary, Lethbridge, Prince George, Vancouver and any town in between. Our athletes work hard and commit to two practices a week in our hometown pitch, participate in Fort St John Soccer house program in addition to cross training on their own time.

Costs associated with this competitive team are significant, including but not limited to membership dues, pitch time, training gear, insurance, equipment, travel, and tournament costs. Our Fort St. John Northern Strikers teams are often self-funded, however we are looking to remove the financial barrier of the players. We want to make sure our competitive soccer team continues to be accessible to all athletes who put in the hard work. To keep the team's fees affordable, we are looking to subsidize the season's costs with corporate sponsorship.

Feel free to contribute what you're comfortable with, please note all cheques must be made payable to the Fort St John Soccer Club, with the notation of the team that you are sponsoring. On behalf of the Fort St John Northern Strikers athletes, we'd like to thank you in advance for your consideration and generosity.

Please don't hesitate to contact the Fort St John Soccer Club at fsjsoccer@telus.net if you have any questions.

Sincerely,

FSJ Soccer Club
