The purpose of our organization is to administer, promote and encourage participation and interest in soccer for all our members, and to develop the highest possible standard of sportsmanship, self-discipline, courage, perseverance and citizenship of this community. To encourage competition, good-sportsmanship and fellowship for participants at all times; to develop and promote enjoyment and competition for its members in all aspects of the game of soccer; to operate as a non-profit organization open to members of the community.

We currently have over 450 youth registered in our indoor house league program and will expect to have close to 600 in our outdoor house league program. We run a house league programs for U4 to U18 division (ages 2 to 18) for both boys and girls.

With minimal equipment required; shoes, shin pads and a ball. It is one of least expensive sports available making it accessible to a wide variety of people.

To keep our fees affordable and provide safe and up to date with equipment we are always seeking sponsorship or donations for uniforms, equipment, tournament items (medals, trophies misc. gifts), pitch fees.

There are many ways that you can help support the FSJ Soccer Club. Opportunities are on the following pages.
