

HEAT POLICY

Fundy Youth Soccer Heat Policy operates based on the humidex reported by Environment Canada.

Up to 30 degrees Celsius – Normal operations for games and practices

30-37 degrees Celsius – Mandatory 5-minute breaks every 20 minutes

37-40 degrees Celsius – No games or intense physical activity, one-hour sessions only

40 degrees Celsius and above – All games and practices cancelled

Parents/Guardians can make decisions concerning their own player's participation in any conditions if they do not feel comfortable with them participating.
