

## COMPETITIVE LETTER OF COMMITMENT

Dear Player & Parent/Guardian,

Congratulations! The Fundy Youth Soccer Club welcomes you and looks forward to having you as a member of our Club this season. As the competitive branch of Fundy Youth Soccer, we are looking forward to the upcoming season and hope you are too!

Now that you have accepted your placement on your respective roster for the upcoming competitive season, FYSC requires your formal acknowledgement of commitment to play and participation within the Club. Please read this Commitment Letter in its entirety to secure your spot for this season.

### **Player & Parent Commitment Confirmation**

Recognizing that soccer is a demanding sport, and that playing competitive soccer requires commitment and dedication, we hereby choose to accept a spot on an FYSC team and understand that we are expected to make soccer our priority sport for the season. Hard work and commitment are qualities needed to excel in any sport and we expect our players to have that approach when participating in any programs FYSC offers. By agreeing to accept an offer to play on a team with FYSC, a player is promising to give their best efforts to participate in every event the team schedules. That promise will greatly increase a player's chance to become the best player possible and to assist the team in reaching its goals.

We also acknowledge that FYSC Competitive Soccer is a volunteer-run organization. The Club relies on the help of parent volunteers to serve in critical roles such as coaches, managers, committee members, and league officials. All support is vital to the success of the team and the development of the players on it.

**April 2024**

## **Recreational Coaching**

To ensure the continuity of our program, we are asking those players from U15-U18 volunteer with our recreation program. Their role will include running stations with the support of parent volunteers and helping young players learn the game of soccer. All sessions will be pre-planned by head coaches of each age group. By playing in our competitive program, you are agreeing to support our young players in the recreational program. We are asking that your player attend one or more sessions throughout the summer, and with over 20 sessions to choose from, we are asking you to pick any evening that works best for you. More support in our recreation program will result in better skill development and positive experiences for all of our players in soccer.
