

COMPETITIVE TRYOUT & PLACEMENT POLICY

Tryouts

The Fundy Youth Soccer Club will host a minimum of three (3) tryout sessions before making any final roster decisions. To attend tryouts, all players must be registered through the Club's online RAMP portal and have paid their non-refundable \$40 tryout fee. Players must attend at least two (2) tryout sessions for their respective age group to be considered for the final roster. Once a selection has been made, each final team roster will be posted on the FYSC website and the FYSC Facebook page.

Placement

Player selection is done by the Team Genius application and scored by outside evaluators. FYSC creates team rosters based on the results of the Team Genius data. Coaches assigned to a FYSC team have no influence on the selection of players for a particular team.

Exceptions

Should a player fail to attend two (2) tryouts for that player's age group as required by this policy, FYSC reserves the right to consider exceptional circumstances which prevented that player from attending the tryouts and to allow that player to join a team.

Any requests for a player to be allowed to join a team without participating in two tryouts must be made in writing to the Director of Competitive for consideration by the Technical Committee.
