GRFC Mission and Vision

Mission

Our mission is to develop the game of soccer in central Newfoundland and provide an enjoyable and educational soccer experience in a safe, supportive club environment. GRFC welcomes all who have an interest in learning, organizing, growing and celebrating the game of soccer. We develop complete soccer players and teams through effective coaching about game understanding, team play and the development of technical, tactical, physical, psychological areas of the game.

Vision

Our vision is to grow into a thriving, inclusive soccer club that serves as the heart of the game in Central Newfoundland—where every player, regardless of age, background, or ability, has the opportunity to belong, develop, and succeed.

We aim to build a complete pathway for participation and competition by establishing teams across all age groups, including strong and sustainable senior and women’s programs. Through this, we will create lifelong connections to the game and ensure that soccer remains accessible to all members of our community.

We will be a recognized hub for development, committed to nurturing not only players, but also coaches and referees. We will provide high-quality learning environments, mentorship, and clear pathways for growth, helping individuals reach their full potential both on and off the field.

We believe soccer is the world’s game and a powerful force for connection. Our club will be a welcoming community space—especially for New Canadians—where people from diverse backgrounds can come together, build friendships, share cultures, and develop a strong sense of belonging and identity.

Through our actions and values, we will earn a respected and valued place within the wider community. We will be known not only for our football programs, but for our positive impact—promoting health, inclusion, and community pride.

Above all, we will provide a safe, supportive, and active environment for youth. Our club will be a place where young people feel secure, valued, and inspired to grow. We will create meaningful opportunities for leadership and personal development, empowering youth to transition into roles as coaches, referees, and community leaders.
