

## GELC DISCIPLINE

### A SPECIAL NOTE WITH RESPECT TO OFFICIALS ABUSE

Discipline dispensed with respect to official's abuse verbal or otherwise after hearing from the relevant parties will be severe in the event the facts of the incident warrant same. There is no room in our game for official's abuse by players, coaches and/or fans of the game. They will be dealt with severely. Do not be the precedent setting example.

### **Discipline and Suspensions**

The primary purpose of the Discipline Committee is to enforce the decisions made by our officials pursuant to the LC rules of play.

The following is the Discipline and Suspensions criteria that all teams must follow when dealing with their players and coaches.

It is the **team's responsibility** to track and record suspensions appropriately.

It's the **club responsibility** to ensure the suspensions are being served. If not recorded on the game sheet they are not counted towards time served. Team management is required to make sure the player's suspensions are recorded.

*The Players Name and game(s) associated to that suspension i.e.: 1 of 3  
Suspensions for coaches and fans shall be recorded in the same manner as for players.*

**All suspensions are required to be written on the lines left for suspensions on the game sheets.**

*This includes all suspended players, coaches, and fans.*

*Please ensure all game sheets with suspensions are uploaded to the game in Ramp immediately following the game*

*In addition, all game sheets with suspensions must be sent to your club discipline chair, for additional tracking and confirmation that the suspension has been served.*

**Any team who uses a player who is suspended will forfeit all team points gained in the games played with the suspended player. If a team is in doubt if a player is under suspension, they should have this cleared up with their club discipline representative listed previously. If a coach allows a suspended player to play the coach will be suspended for the next game.**

**If the coach has not documented on the game sheet a suspended player correctly, and that player is verified as having sat out the game, the coach who signed off the game sheet as the head coach shall be suspended for the next game rather than the player sitting an additional game.**

A suspension status report will be sent to Club Discipline Representatives on a biweekly basis. It is the responsibility of the club discipline representative to inform coaches, players, and fans of their suspensions and of any hearings requiring their presence. Please refer to them for your players / coach status suspensions.

All suspensions not served at the end of the season must be then served in the following season at whatever level / league you play that season. Check with your club discipline chair if you have players who need to sit a game from a previous year suspension which has not served.

Our jurisdiction to dispense discipline is derived from the by-laws and regulations of the GELC noted below along with the process for how hearings should they arise be necessary.

Meetings will be held as required but not more frequently than once every 10 days.  
Meetings may occur in person, virtually or by email as decided by the chair. Your club discipline chair will notify appropriate team officials should your presence be required at a hearing.
