

GESL POST GAME INSTRUCTIONS & SCORING GAMES

Home Team – Signs Game Sheet

Away Team – Signs Game Sheet

Home Team Must do the following: No later than 1pm the next day after the match
(this can all be done from your phone at the end of the game)

Sign back in with Admin Login from GESL website

From Dashboard Click League Games

Click edit button [(green pencil) only available for the home team]

Enter the Score

Click Game is Finished – keep scrolling down

Roster

Update your Roster- if all players played click top box beside Jersey this will automatically select all players. Then you can click off those players who were manually crossed off the game sheet. This must be done by the Home Team for Home and Away. Ensure you Click Update Roster

Game Files

This is how you will submit game sheets to the office. (Trialist forms follow the same procedure.) See Trialist Form Instructions for step by step instructions.

Upload File: Click Choose File - Take photo of game sheet (make sure to capture the entire game sheet in the Photo). Click Upload File. You can also take a picture save it and then browse and upload the game sheet.

Upload File

File

Choose File No file chosen

File Type

Gamesheet

Upload File

Home Team is finished you can log out.

Away Team: Sign in with Admin Login from GESL website –

Once the score is entered from the Home Team the Away Team should Verify. (Orange icon) Change Verification Status to “Verified “if score is correct or “There are errors.” Add a note addressing any Errors, remember to click “Save Note”. Click Update Verification Status. Errors will be corrected in the office.
