

I am excited to introduce myself as one of the Head coaches for U18B Rockets. My name is Gary Dowle and I have been coaching for 10years (SGHA and RAMS). I have been around the game of Hockey my entire life, and I look forward to bringing my experience as a Player and Coach to your daughter's season.

My coaching philosophy is continuing to develop hockey skills, working on team tactics and strategies to promote player growth all the while fostering a positive approach creating a fun environment.

I will come to the rink prepared and ready to give my very best to the team, and in return my expectations are for the players to come to the rink ready to work hard, be respectful and be a good teammate.

I understand that priority is family, and school first. However, I expect full commitment to practices and games, and team events. If there are any absences I ask that you let me know as soon as possible.

Communication and collaboration are keys to a successful season. I look forward to building strong relationships, always encouraging open dialogue with the players and having a fun season.

Our season will consist of 22 regular season games, Playoffs and Playdowns. We will be looking to enter in 4 or 5 tournaments this season, with 3 being out of town.

Regards,

Gary Dowle
