Competitive Equipment

Each competitive player is required to provide a postdated cheque to their team treasurer to cover the cost of replacing lost or damaged jerseys and/or garment bag. This payment must be received before the jersey kit is distributed to the player.

Cheques are to be collected by teams, submitted upon receipt of the competitive kit, and given to the Association Treasurer.

For items that are damaged or lost, the deposit cheque will be cashed and used to purchase those items. Any amount remaining will be refunded by SGHA to the player.
