

League Games Details and Location

League games are for sanctioned league play under the OWHA. For exhibition games please refer to the portal game instructions.

After signing in with your OWHA Team Login you can Access League Games Page In the left-hand menu.

The screenshot shows the dashboard for the Lower Lake Female Hockey League. The left-hand menu includes items such as Dashboard, RAMP Team App, Settings, Content Pages, News Articles, Events, Staff Members, Mail, League Games (circled in red), League Gamesheet App Codes, Portal Games, Portal Gamesheet App Codes, and League Players. The main content area features buttons for Email Team, Practices, Team Contact List, and Players, along with a video player for a 'Team Login Tutorial - RAMP InterActive'.

Under League Games menu you can see any League Games you have created, or that have been created by another team with you as the visitor.

Creating Of League Games

At the top of the League Games page is a “Add League Game” button that will take you to the add game interface.

The screenshot shows the League Games page. The left-hand menu is the same as in the previous screenshot, but the League Games menu item is now highlighted in blue. The main content area has a header for 'League Games' and a button for 'Add League Game' (circled in red). Below this are filters for Game Type (set to All) and Month (set to October), a View button, a Quick Search field, and a message stating 'No Records Found'.

Select the Opposing Team, Start Time, End Time, and Date. There is also a notes field where you can add information such as a Game Curfew if needed. Hit submit after entering these fields to create the game.

Games can only be created against a team in your subgrouping (east, west, noth, etc), and your team will always be the home team for the games you create on this page.

Your team will have the ability to add, edit, and delete created games until the league passes its scheduling deadline and turns off that functionality.

Viewing League Gamesheet Codes

After signing in with your OWHA Team Login you can Gamesheet App Codes on the left-hand menu.

After clicking on the League Gamesheet App Codes Menu, you will be able to see the Gamesheet codes for all League Games that have been created for your team. If you are the home team you will see all codes, and if the visitor team just the visitor code.
