### Ice scheduling for 2021–2022

Some new changes coming in your ice allocations and scheduling for the upcoming season. There will be two ice allocations – first one being from September to December 31, 2021 and the second period being ice for January to end of March 2022.

As there are still seven rinks closed due to COVID, so ALL ice contracts are only up to December 31, 2021. NEW allocations and contracts will be in place for January 2022 onward.

**OneClick will continue to be the MASTER SCHEDULE for ALL ice.** Once you get ice from GCGH, it is final. GCGH will not take back ice slots, ice not used, nor trades, sales, and/or be responsible for any other exchanges.

**GCGH posts extra ice** is on **OneClick** as it comes available. The GCGH Treasurer will invoice teams for extra ice later in season at the blended price of \$255 per hour or by contract (eg. U22 Lady Grads CIH Ice).

Teams should have received their **OneClick** passwords – one per team. I will also send a list of quantity of allocated hours per team from Sept to December 31, 2021 once finalized – with a CC to the GCGH Treasurer.

**NEW!!!!** Teams can now enter all of their own blackout dates. \*\*\* This will not mean that you will not get ice on blackout dates – but we will try to work around depending on quality and availability of ice.

## Selling or Trading ICE

You are able to make ice available to other teams, by "Giving it back." While you will not be able to see, who took your ice, OneClick does track the change and I can provide an update either as team's request, or as monthly to all. **See below.**

<b>Take/Give Ice Tool Summary</b>		
<b>Team</b>	<b>Date</b>	<b>Beneficiary</b>
GCGH	19-Sep-21	U18 BB Stars
U13 Stars BB	16-Sep-21	U15 STARS B

\*\*\* So GCGH will bill U18BB for 1 hr @ \$255

In this case, U15B will need to work out remuneration with U13BB for 1 hr.

If you trade ice, it is a simple transaction, simple and straightforward. It show it in **OnceClick** as well - should there be any discrepancies.
