## **Fraud Alert**

Never send out bank information, money, etransfers, etc when you're contacted by somebody via email - regardless of who you think it is.

ALWAYS be sure you know who you're giving sensitive information (such as bank accounts, wire transfers, etc) to, by verifying on the phone or MULTIPLE people in your office.

RAMP cannot prevent scammers from trying to defraud your organization. **If you get defrauded, there is almost zero chance you will get your money back.** 

Here are some comsumer scams and fraud
