

2021 – 2022 Refund Policy

Prior to evaluations or tryouts, approved refund requests will see a \$ 75.00 admin fee.

Once a player has been selected or appointed to a team, refunds will only be given with a medical note or proof of moving from the GPMHA boundaries less a \$ 100.00 admin fee, in which case the refund will be based on the BASE registration fee, ice used, and association resources used to date.

If GPMHA is not able to operate due to facility or government restrictions then refunds will be prorated based on the BASE registration fee, ice used, and association resources used to date.
