U11 & U13 have one practice during the week and two ice times on the weekends.

Weeknight practices will always be the same night of the week, which we will not know until fall team selections are done.

U15 Pond Hockey will have one slot per week, probably on Friday nights.

Recreation teams cannot collect team fees or have bank accounts.

All funds must flow through the GPMHA office.

Any fundraising initiatives must be approved by the GPMHA Treasurer.

Development (also U11 AA) teams will have tryouts and will travel on a regular basis with league and tournament play.

Depending upon the budgets arrived at, there will be monthly team fees, as well as fundraising.

There will be two practices during the week, as well as the weekend league or tournament games.

One of the practices may be at 6:30 - 7:15 am.

Elite teams will have tryouts and will travel on a regular basis with league play. League schedules usually do not leave much room for tournys.

Clothing - Team Apparel

Every 3 years GPMHA requests quotations on all GPMHA or Knight's branded clothing from local suppliers. We award the contract in 3 year terms to the company which the executive feels will best be able to meet our needs, taking into consideration who will be able to provide the best service at the best price along with the vendor's support of the community and our association. We are proud of the GPMHA and Knight's names and want them displayed in the best possible way, treating it as our "brand" and trying to keep how our brand is represented as consistent as possible.

We also need to ensure that we are giving proper recognition to our team sponsors which is why only certain options are allowed.

We usually award the contract once every 3 years and the vendor will have exclusive rights for that time. On our website we will provide an updated Apparel Brochure along with information on how to access the online clothing store for items other than the Team Wear.

Refunds

Prior to evaluations or tryouts, approved refund requests will see a \$ 75.00 admin fee.

Once a player has been selected to a team, refunds will only be given with a medical note or proof of moving from the GPMHA boundaries, less \$ 100.00 admin fee. The refund will be based on the BASE registration fee, ice used, and association resources used to date.

If GPMHA is not able to operate, due to facility or gov't restrictions, refunds will be prorated on the BASE registration fee, ice used and association resources used to date.

EVALUATIONS AND TRY OUTS

All players must be registered for Tryouts or Evaluations one full week before the dates of Tryouts or Evaluations

Evaluation and Tryout Process

All players at the U11 level or older must pay a non refundable evaluation fee & indicate whether they want to be evaluated in the

U11 AA, Development (A, B, C), the Recreational (equal teams) or Elite (GPAC/PCFAC) Levels.

We have three goals within our Evaluation system:

to have all players compete at their highest level, to offer more opportunities at the Development level and to have parity within all levels.

There will be separate evaluations for each of the U11 AA, Development, Recreation divisions, and Elite (GPAC/PCFAC)

FROM GPAC/PCFAC TO GPMHA

If a player (local) attends a GPAC/PCFAC Tryout, does not make a GPAC/PCFAC team, they must then pay the GPMHA Evaluation Fee to the GPMHA office prior to entering into the A Evaluations (except U13 AA) Only local players would continue on to Development Evaluations A, B, C.

Development - includes U11 - U18, male and female

Development evaluations begin once GPAC and PCFAC tryouts are completed.

During tryouts/evaluations parents may request a move down from the Technical or Executive Directors as long as it is prior to the Coach Skate.

Once the evaluations/try outs are **completed** and the player is advised of his/her placement, any request for movement must come in writing to the Vice President for Executive approval.

GPMHA will not necessarily have all of the AA, A, B and C divisions, dependent upon registration and the skill level of those being evaluated.

RECREATION - Inc U5, U7, U9, U11 GP, U13 GP & U15 Pond Hockey

Recreation evaluations will be held one or two weeks after the Development evaluations.

There will be a further two or three week post evaluation period before the Recreational teams are formally set, to allow for movement to ensure the teams are of equal calibre.

U5, U7 and U9 will be fully half ice.

All players in each division will be evaluated together and tiered according to skill on mixed age teams.
