All league game sheets must be completed electronically using the RAMP Game sheet App. Details and tutorials are available on the All Peace Hockey League website. It is important to familiarize yourself with the app and ensure that all necessary information is input correctly or the team could face a fine for each infraction.

Hockey Alberta has minimum suspensions to be adhered to, as well as each league has their own further suspensions. When in doubt of a suspension sit the player out until the issue is resolved.

It is every Coaches responsibility to educate themselves on all suspension guidelines for GPMHA, their respective league, Hockey Alberta and Hockey Canada. Playing a suspended player will result in lengthy suspensions to the Coach.

The Coach must obtain Hockey Alberta’s minimum suspensions list from the hockeyalberta.ca website.

If you are hosting an exhibition game, you will need to use paper game sheets that you can get from the office. A copy of the game sheet must go to each team manager and a copy must be sent to Hockey Alberta Zone 1 commissioner by the home team and entered into the Hockey Alberta Electronic game sheet.

Policy #120 - Finance Policy

APPROVED: May 7, 2025	REVIEWED: April, 2025
NEXT REVIEW:	December 2028
RESPONSIBILITY:	Treasurer
APPENDICES:	GPMHA Finance Policy
CROSS-REFERENCE:	GPMHA Bylaw 10.4.6.7 & 10.4.6.8 Policy 149, 150

POLICY STATEMENT:

Grande Prairie Minor Hockey governs all financial activities of the teams registered under the association. All financial transactions, including fees paid by parents, fundraising activities, donations made by corporate sponsors and all expenses are done so under the authority of Grande Prairie Minor Hockey. All team officials and members of the association must follow the associations financial policies. All funds raised and held by teams are always the property of the association and shall be managed in accordance of the policies of the association. Because of the strict nature of AGLC rules, gaming proceeds are subject to greater restrictions.

PURPOSE:

Grande Prairie Minor Hockey is committed to the development of our players and coaches. We encourage teams to use fundraising as a vehicle which will enable teams to provide extra skill development opportunities and hockey related activities. We discourage teams from raising funds to provide opportunities that don't place hockey development as the motivating factor for collecting funds.

We have an obligation as not-for-profit to ensure that our teams are using community raised funds in a responsible manner and not using them to forward personal interests, other than that of improving the skills of our players. We also have an obligation to enforce AGLC rules and monitor team finances to make sure we are complying with AGLC guidelines.

SCOPE:

All teams

DEFINITIONS:

PROCEDURE/GUIDELINES:

Team Bank Accounts

Grande Prairie Minor Hockey will assign bank accounts upon request and approval. All team bank accounts will be run through the office and monitored by the Executive & the Board Treasurer. All funds held by teams are the property of Grande Prairie Minor Hockey, therefore holding team funds in personal bank accounts will not be tolerated.

1.1. - DEVELOPMENT TEAMS

1.1.1 Teams must track all receipts and disbursements in the GPMHA budget template so we can

track source of funds and ensure teams are compliant with AGLC and GPMHA policy.

- 1.1.2 To ensure transparency, security, and accountability, all financial transactions should be conducted electronically whenever possible. Fees and fundraising contributions from parents must be submitted via electronic funds transfer (EFT) directly to the Grande Prairie Minor Hockey Association office account. Funds will be deposited and recorded accordingly by office staff. The use of cash and cheques is discouraged. In cases where a member is unable to make an electronic payment, they may submit cash or cheque payments directly to the GPMHA office themselves.
- 1.1.3 All receipts and disbursements must transact through the team bank account. This means NO CASH disbursements are allowed.
- 1.1.4 Online access to team account statements will be available to the Head Coach, Team Manager and Team Treasurer.
- 1.1.5 Team officials will sign a code of conduct prior to receiving access to their team account. It will outline specific behaviour that GPMHA wishes to prohibit. Namely the misuse of funds on ineligible expenses and un approved expenses being covered nearing the end of the season.
- 1.1.6 All team-related payments and financial transactions shall be conducted electronically through the Grande Prairie Minor Hockey Association office to ensure proper oversight and accountability. In exceptional circumstances where immediate on-site payments are required—such as for team meals or bus driver accommodations—a parent may cover the expense and submit a completed expense reimbursement form to the office.
- 1.1.7 Prior approval for such expenditures is mandatory and must be obtained from either the Executive Director or the Board Treasurer. Reimbursements will not be processed without documented pre-approval and signage and approval from both the Team Manager & Head Coach.
- 1.1.8 All reimbursements must be submitted within 30 days of receipt or no reimbursement will be given.

1.2 GPAC/PCFAC:

- 1.2.1 Team debit cards may be held by the head coach and team manager and used for approved team expenses only. Receipts must be submitted weekly for accounting a accountability purposes.
- 1.2.2 All receipts and disbursements must transact through the team bank account. This means NO CASH disbursements are allowed. This reduces our financial risk and supports our accounting process.
- 1.2.3 All cash received by the team must be deposited in full to the bank account as soon as possible.
- 1.2.4 All deposits shall be supported by appropriate documentation and recorded in the budget template including:
 - Payment type (Cash, check, e-transfer)
 - Purpose of receipt, i.e., monthly fees, track suits, bottle drives, sponsorships
 - In the case of sponsors who wish anonymity, such information must be available to the Treasurer upon request but may be otherwise kept confidential.
- 1.2.5 All team disbursements shall be supported by appropriate documentation and recorded in the budget template including:
 - The payee
 - The ultimate recipient

- The true purpose
 - Approval by Team Manager
- 1.2.6 At the end of each season, each team must leave \$100 in its Team Bank Account. Teams cannot operate at a deficit and parents are responsible to ensure that there is \$100 in the account at the end of the season. This \$100 is a float for the next season — see item 2.
- 1.2.7 Surpluses remaining in Team Bank Accounts shall be transferred to the:
- a. Equipment Replacement Fund
 - b. Hockey Helps Fund
 - c. Other as approved in advance by the GPMHA Executive The Board will decide the allocation.

- 1.2.9 All team activities must be completed and paid for prior to April 15, including wind up events.

Team Fundraising

Each team must prepare a budget and submit to the Treasurer for approval by October 31. The purpose of the budget is to outline the team's activities for the year, so GPMHA can confirm that sources of funding are going only to approved expenses. We encourage our teams to raise funds to lower the cost to parents for development, but we discourage the raising of funds for non-essential expenses.

Team Revenues can be raised in several different ways. The following are classifications used by GPMHA:

- a. Fundraising – activities that involve requesting involvement from the community and are not limited to: bottle drives, battery drives, catalog sales to members of the team's social circle and the community at large, request for donations.
- b. Raffles- include activities that require an AGLC license. .
- c. Corporate Sponsorship- donation of money from a business or organization
- d. Parent contributions

*Raffles that include the sale of alcohol must not have any participation from minors. We support our youth and it's the goal of GPMHA to model appropriate behavior with age appropriate activities. While these raffles are permitted, it is important to note that the alcohol must be donated, and under no circumstances purchased with team funds.

- Teams cannot request further support from any GPMHA sponsors. If it is decided that additional funds may be required by the association, it will be left to the board and the sponsorship committee to approach these sponsors for additional support. No fundraising activities will be approved that are in direct competition with our own sponsors. However, unsolicited donations from existing sponsors may be accepted, provided no direct solicitation has occurred.
- AGLC regulates how the proceeds of gaming funds may be spent. Using raffles is a great way to raise funds but be aware, there are restrictions. *Follow the link to the AGLC handbook, under sections 4 and 5 you will find the restrictions of gaming proceeds.* (<https://aglc.ca/gaming/licences/use-gaming-proceeds>)
- AGLC Handbook Sec 5.13.7 Explains that Personal clothing like track suits, dryland gear, and other personal apparel is not to be purchased using gaming funds.

- Awards like plaques and trophies are approved gifts when they are earned for specific achievement. No gifts for volunteers may be purchased with gaming funds.
- AGLC Handbook Sec5.21.1 Explains that gaming funds cannot be spent on social functions or recreational activities.
- A budget template will be provided for each level, indicating the appropriate revenue and expense that a team should expect in a given year. Guidance will be given so that budgets are appropriate for the level of hockey that teams are participating in.
- No Gift Card sales will be used as a fund-raising activity, due to its inefficiency and high financial risk level to the team. A gift card tree may be permitted as a raffle item, provided that all gift cards have been donated by parents and not purchased using team or association funds.

Team Financial Reporting

- Each Team Treasurer shall prepare the Monthly Financial Report and reconcile such Report to the Team ~~Bank~~ Account.
 - a) Current electronic team ~~bank~~ statements will be available to the Head Coach, Team Manager & Team Treasurer.
- Each Team Manager shall provide an electronic copy of the Monthly Financial Report to the parents of each player on the team by the 15th of the following month. *This may be a pdf of the statement page in the spreadsheet. If parents request further detail the entire file may be sent.*
- Each Team Manager shall submit the *entire* Monthly Financial Report including the bank reconciliation to the Treasurer of GPMHA by the 15th of the following month.
- The Treasurer shall review the Monthly Financial Reports to ensure compliance with the GPMHA Policies and Procedures Manual – i.e. this document.

Team Funds

- Parents in arrears for team fees or other fundraising commitments shall be reported to the Treasurer by the Team Manager and may be subject to sanctions including suspension of the player(s) until arrears are paid. Releases or Permissions will not be granted until all financial commitments *to the teams and GPMHA* have been fulfilled.
- No team funds can be expended directly or indirectly for alcohol. There cannot be alcohol, marijuana or tobacco baskets or related products on a tournament prize table.
- In the case of gifts-in-kind, recognition shall be given only in cases where such gifts-in-kind would replace an item or activity for which the Team would have paid ordinarily. For example: if a parent purchases sport drinks for the team during a tournament and the team would normally not have purchased such drinks, then no recognition is necessary. However, if a parent directly pays the entry fee to the tournament, then the amount of the gift and expense must be recognized.
- Grande Prairie Minor Hockey Association shall not cover any team deficits. Team parents are responsible to fund any team deficits.
- Team funds cannot be used to buy player gifts.
- Eligible expenses based **upon approved budget as below. NOTHING else is eligible.**
 - a. Bus transportation including driver expenses

 - c. Dryland training facility rent and instruction

- d. Referees
- e. Hotel rooms for players based upon the approved Team Budget
- f. Meeting rooms
- g. Player development *must be from GPMHA's Approved Vendor List
- h. Sponsorship servicing
- i. Team travel meals for players based on approved Team Budget *travel must be outside of 100km radius for GPMH teams to warrant meal expenses, or under 100km radius but only for tournaments where you are playing more than 1 game per day or staying overnight. Meals funded through the team account are intended for players and carded team staff. Total cost of each meal should not exceed \$1000 without GPMHA Office approval.
- j. Team supplies including any replenishment or repairs to GPMHA supplied team equipment. All team supplies purchased with team funds such as pinnies, pucks, etc, must remain property of Grande Prairie Minor Hockey Association.
- k. Tournament entry fees
- l. Apparel and items as approved by GPMHA Clothing Policy *No AGLC funds
- What can the team funds be used for?
 - a. Parents MUST pay for the following re:
 - i. Development & Elite fees to GPMHA, PCFAC and GPAC. (Once teams are formed the team managers will be given the dollar amount owed for each player) These must be paid before October 31st.
 - b. Parents may only raise enough money to cover expenses, and NO funds will be returned to parents – therefore, constant review of cash balances, outstanding expenses and future expenses should be reviewed weekly and discussed constantly.
 - c. A suggestion is that fundraising starts as soon as budgets are approved so that parents will know where they stand for the upcoming season. Parents will be relied upon to finance the team to cover shortfalls in the team budget.

Recreational Teams

- Recreational teams shall not have team bank accounts—all monies must go through GPMHA Office.
- Recreational teams cannot charge team fees.
- Recreational teams are permitted to fundraise pending majority vote of team parents and GPMHA Office approval.
- In the event that a Recreational team incurs an approved expense, all related payments from parents must be submitted directly to the Grande Prairie Minor Hockey Association office. The office will then process and disburse the necessary payment on behalf of the team.
- Under no circumstances shall Recreation Team Managers collect player fees or handle team funds. This policy is in place to maintain financial integrity and ensure consistent oversight. Cash must be processed through GPMHA office and expenses paid via GPMHA.
- Team/Tournament Items Purchasing
 1. Locally sourced whenever possible to support our sponsors
 2. If including potential sources from outside of our community 3 quotes must be obtained,
 3. At least 1 Local company has the opportunity to quote on the item(s)
 4. Said local company must be given the opportunity to compete against online/out of town suppliers once all quotes have been received
 5. If applicable, any current agreements between GPMHA and a vendor must be honored first before sourcing outside. I.e. hotels / apparel supplier.

DEFINITIONS:

SCOPE:

PROCEDURE/GUIDELINES:

All traveling teams are highly recommended to charter buses for ALL out-of-town functions, regardless of distance.

GPMHA has received a significant discount from local companies in the past, and these companies shall be the teams' first choice in transportation, as will be reviewed with the teams at the beginning of each year.

Any licensed carrier of GPMHA teams must first meet the National Safety Code for Motor Coaches and Commercial Buses as obtained from Alberta Infrastructure and Transportation.

Bus drivers must follow all laws and regulations of the province which they are driving in. This includes a limitation to how many hours a bus driver can be “on duty” and driving per day. Teams may have to cut out some activities or re-work their itinerary to account for this.

There is to be no alcohol on any team buses. Buses CANNOT drive to any liquor store or drinking establishment.

Due to the shortage of available busses in the region, it is recommended that as soon as teams make their schedules that they book buses immediately.

PARKING

Teams going out of town by bus must leave their vehicles at a location other than any arena, due to limited parking for their customers. Any left overnight may be towed.

Keep in mind that inventory of buses in Alberta is down drastically so you need to book as far ahead as possible, or you may not get a bus. You do not need to give them all of the details in the first email, just what team you are from, who you are, where you are going and the dates. The details can come later.

Clearly indicate in your email:

1. Your team name
2. Your contact information, including name, at least two phone numbers

YOU CANNOT EXPECT THE BUS DRIVER TO DRIVE LONGER THAN HE LEGALLY CAN. You may have to cut out some activities or re-work your itinerary to account for this.

Teams are responsible for the bus driver's accommodations and meals on overnight trips.

All members are ambassadors of Grande Prairie Minor Hockey and the Peace Country. All are expected to treat our bus companies, restaurants and hotels with respect.

1. All travelling teams are highly recommended to charter buses for ALL out-of-town functions, however due to the shortage of buses for day trips, teams may have to drive to closer places like Dawson Creek.

GPMHA receives significant sponsorships from bus companies in the past, and these companies shall be the team's first choice in transportation, as will be reviewed with the teams at the beginning of each year.
2. Each team is responsible for damages to the bus interior.
3. Minor hockey players are forbidden to serve as designated drivers of vehicles providing transportation for other players on road trips, unless accompanied by a responsible adult.

As soon as you get the league schedule ensure that buses are booked immediately. Then as soon as you have the detailed information on the trip, email them the details. They will confirm by return email.

YOU MUST ENSURE THAT THE PARENTS AND PLAYERS CLEAN UP THE BUS BEFORE YOU GET OFF OF IT! ALL OF OUR TRAVELLING TEAMS MUST BE GOOD AMBASSADORS OF GRANDE PRAIRIE MINOR HOCKEY.

BUSING EXPECTATIONS OF PLAYERS, MANAGEMENT AND PARENTS

1. No use of alcoholic beverages, illegal drugs or tobacco products by team officials, players, or parents while on the bus. Buses do not carry liquor permits for GPMHA trips.

PROCEDURE/GUIDELINES:

The following Dressing Room policies are to be enacted at all times where players and team officials are present in Home and Away change-rooms:

- Team Officials are responsible for the safety and welfare of their players at ALL times during any sanctioned events, this includes while players are changing in the dressing rooms both prior to and after on-ice activities. No minor aged player shall be left alone in a room with an adult who is not the player's parent or guardian before, during and after games or practices. There should always be at least two adults in the dressing room as this provides protection for not only the players but Team Officials.
- Parents/guardians of the players on each team may appoint or elect amongst themselves one adult representative who is a parent/guardian of a player on the team but who is neither a team official nor a GPMHA Executive Officer. This representative shall have the right to be present during all discussions and meetings between players and their coaches. In the event that a team has both male and female players on the roster, the GPMHA supports the selection/appointment of two representatives, one male and one female.
- At the U-11 level and above, when separate facilities exist for both male and female participants, males and females shall make use of these separate facilities. Females shall not be permitted access to a dressing room occupied by male players and/or coaches unless all players and coaches are fully clothed. Both the male and female facility shall be supervised by two adults.
- If the facility does not have separate changing areas available for male and female players, players shall address the issue by dressing, undressing and showering in shifts. It is the responsibility of the

team to provide a plan that will ensure the safety of individual players when they are dressing, undressing and showering.

- Team officials and parent/guardian representative(s) of every team shall ensure that the dressing room door remains closed while players are changing. If a player is ejected from a game they are required to be supervised by two adults and the ejected player must remain in the dressing room until the end of the game or with the manager in the stands.
- As the players get older and shower after games and practices, team officials and parents are permitted to leave the dressing room but must remain directly outside of the entrance and with the door open so they can still hear conversations from the dressing room. It is recommended that team staff occasionally announce and enter the room so their presence is known.
- Any deviation from the above standards must be documented and agreed to by all members of the team including team staff, players, and parents. Final approval must be given by the GPMHA Executive before being implemented.
- The use of any form of camera, video camera, camera phone or personal digital assistant (PDA) is prohibited in any recreational facility change rooms, during any GPMHA sanctioned event (this includes players' phones). Parents and or coaches wishing to take pictures of individuals or teams in dressing rooms must ask permission of the team staff, and can only do so if everyone in the rooms is completely clothed/dressed. An example of this would be post game with a trophy.

Policy #313 - Dressing Rooms - Etiquette

APPROVED: December 11, 2023	REVIEWED: October, 2023
NEXT REVIEW:	On going
RESPONSIBILITY:	Team Staff, GPMHA, arena facilities,
APPENDICES:	
CROSS-REFERENCE:	Hockey Newfoundland and Labrador Dressing room Policy, Hockey Canada Dressing Room Policy

POLICY STATEMENT:

To promote appropriate dressing room use, guidelines and responsibilities by our teams and athletes. New concepts and practices require an open mind, time, a willingness to ask questions, and patience. It is not about being perfect but being respectful.

PURPOSE:

Is to define the standards of supervision and usage for Dressing Rooms and is intended to provide the standards and guidelines necessary to ensure the safe, inclusive, and equitable participation of all athletes

SCOPE:

All teams

DEFINITIONS:

- Sex/Assigned Sex: is the classification of a person as male, female or intersex based on biological characteristics, including chromosomes, hormones, external genitalia and reproductive organs. Most often, sex is assigned by a medical professional at birth and is based on a visual assessment of external genitalia.
- Cisgender (adj): A person whose gender identity corresponds with the sex assigned to them at birth (e.g., a cisgender man is someone who identifies as a man and who was assigned male sex at birth).
- Gender Diverse (adj): An umbrella term for gender identities and/or gender expressions that differ from assigned sex.
- Gender Identity: is a person's internal and individual experience of gender. This could include an internal sense of being a man, woman, both, neither, or another gender entirely. A person's gender identity may not correspond with the sex they were assigned at birth. Since gender identity is internal, it is not necessarily visible to others. It is important to remember that gender identity is not the same as sex/ assigned sex.
- Gender Expression: The way a person presents and communicates gender within a certain social context (environment). Gender can be expressed through clothing, speech, body language, hairstyle, voice, and/or the emphasis or de-emphasis of bodily characteristics or behaviours which are often associated with masculinity or femininity. The ways in which gender is expressed are specific to a particular culture and may change over time. May also be referred to as gender presentation or gender performance.
- Transgender (adj): A person who does not identify either fully or in part with the gender associated with the sex assigned to them at birth—often used as an umbrella term to represent a wide range of gender identities and expressions.

- Transition: Refers to a variety of social, medical, and/or legal changes that some trans people may pursue to affirm their gender identity. There is no checklist or average time for a transition process and no universal goal or end point. Each person decides what meets their needs.
- Minor Hockey Association: self-defined by each Minor Hockey Association (“MHA”) to include all staff, volunteers, and parents/guardians.
- Athlete(s): refers to any individual who is registered as a participant/player with a hockey team.
- Committee: refers to the Trans Inclusion Subcommittee of Hockey NL’s Risk, Safety and Medical Committee.
- Gender-Segregated Space: any space that is grouped according to a gender binary (female/male) such that one gender has access to the space to the exclusion of the other. Examples of gender segregated spaces may include but are not limited to washrooms, showers, and dressing rooms.
- Gender Segregated Team: a term that refers to a team grouped according to the gender binary. An example of a gender segregated team is a girls/womens team or a boys/mens team. Sports teams are often grouped according to the gender binary which means there are girls/womens teams and boys/mens teams. The criteria that should be used to group teams in this way is what gender a player self-identifies with, not the sex they were assigned at birth.
- “Gender-segregated teams” rather than “sex segregated teams” is therefore a more accurate way of referring to this type of team grouping system.
- Multi-Gender Team: a term used to refer to a team that is not gender segregated and that welcomes members from multiple gender identities, including but not limited to men/boys and women/girls (both cisgender and trans) as well as individuals who identify outside of the gender binary, such as individuals who are, agender, gender neutral, gender queer, etc. Multi-gender team replaces the term “co-ed”, as an intentional move away from non-inclusive language of the gender binary and more accurately reflects the reality of a gender spectrum.
- Base Layer: Shorts and t-shirt, compression shorts and shirt or a body suit.

PROCEDURE/GUIDELINES:

The following Dressing Room policies are to be enacted at all times where players and team officials are present in Home and Away change-rooms:

Team Officials are responsible for the safety and welfare of their players at ALL times during any sanctioned events, this includes while players are changing in the dressing rooms both prior to and after on-ice activities. No minor aged player shall be left alone in a room with an adult who is not the player’s parent or guardian before, during and after games or practices. There should always be at least two adults in the dressing room as this provides protection for not only the players but Team Officials., Team officials and parents are permitted to leave the dressing room but must remain directly outside of the entrance and with the door open so they can still hear conversations from the dressing room. It is recommended that team staff occasionally announce and enter the room so their presence is known.

Parents/guardians of the players on each team may appoint or elect amongst themselves one adult representative who is a parent/guardian of a player on the team but who is neither a team official nor a GPMHA Executive Officer. This representative shall have the right to be present during all discussions and meetings between players and their coaches. In the event of a multi-gender team, GPMHA supports the selection/appointment of two representatives, one male and one female.

The Coach or their delegate must enter the dressing room before any others to ensure the rooms are clean. The Coach or their delegate must immediately advise the arena staff if an assigned dressing room has been left in a mess by the previous user group and ensure no one enters the room. If you cannot find an arena staff/member, take pictures before anyone uses the room.

- The Coach or their delegate must ensure that the dressing room is left in a clean, non-damaged state.
- The floors, walls and bathrooms are to be left in a clean condition.
- Showers are to be free of debris.
- All garbage is to be disposed of in the appropriate receptacles.

Teams will be billed for any excessive cleaning required. Any willful damage will be reported and appropriate measures will be undertaken by GPMHA. Those at fault or the team are expected to pay for the repairs.

The Coach or their delegate also supervises the team until the last member of the team has left the building after the practice or game. The use of any form of camera, video camera, camera phone or personal digital assistant (PDA) is prohibited in any recreational facility change rooms, during any GPMHA sanctioned event (this includes players' phones). Parents and or coaches wishing to take pictures of individuals or teams in dressing rooms must ask permission of the team staff, and can only do so if everyone in the rooms is completely clothed/dressed. An example of this would be post game with a trophy.

All athletes have a right to access safe, inclusive and equitable dressing room spaces. In this regard, all athletes have the right to utilize a dressing room or appropriate and equivalent dressing areas based on their gender identity and/or gender expression and that meets their individual needs.

Athletes are responsible for asking for assistance and support to the best of their ability from their team and GPMHA. If they believe they are experiencing or have experienced discrimination based on their gender identity and/or gender expression or when requiring related accommodation. In the event that an athlete requests such an accommodation, they agree to work cooperatively with their team, the facility and GPMHA to locate appropriate and equivalent dressing areas when faced with facility limitations.

If due to facility limitations, and despite proactive efforts, a dressing room that meets an athlete's individual needs is unavailable, the team, with the support of GPMHA, will work in cooperation with the athlete to find an appropriate and equivalent dressing room.

To best promote inclusion on a hockey team and to respect the privacy of all athletes on a Multi Gender Team, GPMHA requires that all teams require all athletes to wear certain "minimum attire" at all times in the dressing room. This means that athletes should arrive at the rink wearing a base layer (e.g., shorts and t-shirt, compression shorts and shirt or body suit). An athlete not arriving at the rink wearing their base layer can use an appropriate space (e.g., restroom / bathroom stall or empty/unused dressing room) to change into the base layer and then enter the team dressing room with the other athletes. Use of showers (especially when showers are not separate from the dressing room or individualized) shall be permitted in a manner respecting all athletes' privacy and will not take place in a group setting or common area among other athletes or team staff. In some cases, Federal and Provincial law could apply to restroom or locker room usage, and teams should consult and apply applicable law(s).

Additionally, to ensure that all athletes are treated as valued members of a team, team officials should only engage in pre and post-game talks when all athletes are present in the dressing room.

POLICY STATEMENT:

To provide guidance for processes for conditioning camps and tryouts.

PURPOSE:

To ensure all proper procedures are followed.

SCOPE:

U-15 and U-18 players

DEFINITIONS:

PROCEDURE/GUIDELINES:

Letter of Permission to Try Out forms will be granted provided the player is a member in good standing with both his/her team and the Grande Prairie Minor Hockey Association.

All applicable team and Association fees must be paid in full before a player will be given permission to try out for another team.

Grande Prairie Minor Hockey players wishing to attend a Conditioning Camp or a Tryout Camp with a team in a higher Category/Division must first obtain a Letter of Permission to Try Out form, other than for a WHL camp. This form can only be signed by the President or his designate of Grande Prairie Minor Hockey. It clearly indicates that the player is granted permission for that particular Conditioning or Tryout Camp only.

For each team that a player tries out for, he/she must obtain a separate permission form.

If a player does not have a Permission to attend a Conditioning or Tryout Camp, that player is not eligible to step on the ice for that camp. If a Coach or Manager does proceed to include a player or players in the camp without permission from the player's former association he may then be charged with tampering (HOCKEY CANADA Regulations Section J).

Upon being selected to the specified team, Grande Prairie Minor Hockey will grant an unconditional release.

In failing to be selected to the specified team, the player must return to Grande Prairie Minor Hockey.

For those not making a AAA team, the player may then request an Elite Notification of Tryout Form for the designated next AAA association, as per that league's Presidents' instructions. This may only be done twice in any try out season.

Hockey Alberta's Fair Play Code for Association Administrators

- I will do my best to see that all players are given the same chance to participate, regardless of gender, ability, ethnic background or race.
- I will absolutely discourage any sport program from becoming primarily an entertainment for the spectator.
- I will make sure that all equipment and facilities are safe and match the athletes' ages and abilities.
- I will make sure that the age and maturity level of the participants are considered in program development, rule enforcement and scheduling.
- I will remember that play is done for its own sake and make sure that winning is not the sole focus.
- I will distribute the fair play codes to spectators, coaches, athletes, officials, parents and media.
- I will make sure that coaches and officials are capable of promoting fair play as well as the development of good technical skills and I will encourage them to become certified.

APPENDICES:	
CROSS-REFERENCE:	Bylaw 10

POLICY STATEMENT:

To ensure integrity in the decision making process' of GPMHA.

PURPOSE:

Volunteer duties, including that of the Board of Directors, should be conducted in a manner that places the interest of GPMHA and the members it serves on a whole, ahead of any personal interest or the interest of any other person or entity.

SCOPE:

Board Member of the GPMHA

DEFINITIONS:

A conflict of interest may be real, potential or perceived in nature. Real or potential conflicts of interest may arise when a member has a close family connection or financial interest that will be directly impacted by votes/decisions. A perceived conflict may occur when a reasonable, well informed person can provide an example of how a member may be in conflict, whether or not this is in fact the case.

PROCEDURE/GUIDELINES:

- 1) Members of the board must disclose conflicts of interest prior to the start of any discussion that requires a vote. If the member is unsure whether or not they are in conflict, they must provide any factual information to the board to help determine if a conflict occurs. If at anytime during a discussion on an upcoming vote, a member determines they do indeed have conflict not previously disclosed, they must provide this new information. Having a real/potential/perceived conflict does not negate a member from participating in the discussion, as long as it is disclosed and not opposed by another member of the board.
- 2) Any Board or Executive member who may be considered in conflict of interest must remove themselves from any vote regarding the conflict of interest, including without limitation, decisions respecting coaching, player movement or any disciplinary action as stated in this manual. In the event that there is a perceived conflict of interest and Board Members do not remove themselves, the President may remove them from that decision making process. Should the Board or Executive think that the President is in a conflict of interest it may be required that the President remove himself from that decision making process by a 2/3 vote of the Executive (excluding the President).
