

1. All CORL games will be governed by ORA playing rules in effect for that year.
 - A) By a two-thirds (2/3) majority vote, the CORL Executive may delete or implement any rule for that season only. Even with a two-thirds (2/3) majority, the Referee in Chief holds veto rights on the grounds it is too difficult for the referees to administer.
2. Under certain conditions, games may be played on ice surfaces without the approved Ringette markings.
3. Games sheets must be signed by the coach or manager ten (10) minutes prior to the game, at the location designated.
4. Teams must be ready to go on the ice five (5) minutes before game time. In the event of unforeseen circumstances that affect a team's ability to start the game within fifteen (15) minutes of the scheduled start time, the convener or league official shall make a decision to default or reschedule, based on the circumstances.
5. Declaration of Teams, Scheduling, Reporting of Results, and related fees and fines.
 - 5.1. Declaration of Teams
 - A) The first meeting of the new season, held in September, will be the Team Declaration meeting, where each Association will declare the teams that wish to participate, indicating the division and intended level of play.
 - B) The Declaration will be performed by the CORL Representative of each Association. However, the Head Coach of each team being declared is strongly encouraged to attend the meeting, as important decisions must be made at this meeting that will impact all teams.
 - C) The CORL Council (CORL Executive and Association Representatives) will discuss and agree on the teams that will play in each Division for the season. Divisions are not required to follow the normal A/AA designation. As well a Division may be made up of teams from two age divisions (e.g. Bell/Open, etc).
 - D) The CORL Council will also agree on a scheduling strategy, e.g. (whether the scheduling will be performed for the season, how many games will be scheduled, whether there will be cross-over games between two divisions, whether there will be more games scheduled between teams within a CORL Division based on geography, relative strength, etc.). Establish divisional Petite and Tween teams A, AA (or red and green) teams at September scheduling meeting by teams declaring A or AA division by coach / convener vote.
 - E) The Scheduler and Statistician will go over the rules with respect to schedule changes and game results reporting, to ensure all CORL Reps, and all coaches in attendance understand their responsibilities.
 - F) The CORL Rep, Head Coach of each CORL team and Referee-in-Chief of each association will sign a declaration form confirming that they understand their responsibilities with respect to the game schedule. If the Head Coach is not in attendance, the CORL Rep must ensure that a signed Form from each Head Coach and Referee-in-Chief is submitted at the Schedule Review meeting.

- G) Associations will pay the appropriate registration fees for each of the teams they have declared. In addition, each Association will pay a deposit of \$350, to be refunded at the end of the season, net of any fines and administration fees owed. If an Association deposit drops below \$300 due to levied fines, the Association must issue a cheque by the next CORL meeting to bring the deposit back to the \$350 level.
- H) CORL Reps will provide the Scheduler with a listing of ice times available for their Home games. If this listing is not available at the Team Declaration Meeting, it must be faxed to the Scheduler the next day.
- CORL Reps should also identify, to extent possible, any tournament that their teams are expected to attend, especially in the first half of the season in order for the Scheduler to take this into account. Note that, while subsequent schedule changes are permitted due to tournaments, the Association will be assessed the normal schedule change administration fee.
- I) Games must be scheduled to be played prior to the Provincials in each division.
- J) If an Association has declared a team, and the team pulls out, the Association will be assessed a fine, as follows:
- if the Scheduler is advised before the schedule is drafted, the fine will be \$0.

- C) Any schedule conflicts that remain after the Schedule Review Meeting must be resolved within the ensuing week.
- D) The Scheduler will publish an updated schedule within a week of the Schedule Review Meeting. CORL Reps will then have one week to perform a final review and changes without incurring an administration fee.

The Scheduler must be advised of such conflicts in the one week review period. Otherwise, the Association will incur a schedule change administration fee.

- inclement weather.
 - tournaments, if at least two weeks prior to tournament date (see exception below).

However, it is the responsibility of the CORL Rep of the team canceling the game to contact the other CORL Rep as soon as possible to confirm the decision to cancel due to inclement weather. The CORL Rep must NOT assume that the other team knows of the inclement weather. If the CORL Rep does not advise, a fine may be levied, at the request of the other CORL Rep.
- G) For permitted schedule changes, it is the responsibility of CORL Rep of the Association initiating the change to advise the other CORL Rep, obtain formal confirmation of acceptance, and subsequently advising the Scheduler/Statistician of the change by forwarding a completed "CORL Game Change Form". For permitted schedule changes it is the responsibility of both CORL Reps of the Associations involved in the change to refer to the League Guidelines when offering/accepting alternative dates for ice availability.

NOTE that if the initiating CORL Rep faxes, e-mails, or leaves a voice message to the other CORL Rep, it cannot be assumed that the message has been received or accepted. A formal acknowledgement must be received.

- H) The Association of a team that misses or forfeits a scheduled game will automatically be fined \$300. The Association must pay this fine by the next scheduled CORL Meeting. An Association may appeal the fine at the meeting, for a refundable fee of \$50. Once the fee has been paid, the Association may present its case to the CORL Council. A vote to repeal the \$300 fine must be accepted by at least three quarters of the Council members who are in attendance. If the appeal is upheld, and the fine is cancelled, the fee will be refunded.

If the fine is not repealed, the Association must pay the \$300 fine immediately (in addition to the \$50 appeal fee). If the fine is not paid, the CORL Council may take appropriate disciplinary action, including expulsion of the team/Association.

Of the \$300 fine, \$200 will be paid to the Association of the other team involved in the cancelled or forfeited game.

- I) No game may be rescheduled past the date for the Provincials, and all games must be played prior to the Provincials. If "TBA" games have not been rescheduled or played by the Provincials, the team having caused the TBA will forfeit the game.
