

# GREAT LAKES RINGETTE LEAGUE (GLRL)

## Referee Mileage Policy

### 1. PURPOSE

To establish a fair and equitable reimbursement plan for referee's officiating GLRL league games.

### 2. Mileage Reimbursement

- 2.1. Exhibition Games are not covered by GLRL and Associations will need to arrange and pay.
- 2.2. Referees that officiate GLRL league games that were scheduled by GLRL Schedulers will be eligible for payment.
- 2.3. GLRL will only pay for mileage reimbursement
- 2.4. If a referee feels they need to use Highway 407 as the only way to cover a game, they must seek pre-approval based on emergency situations from GLRL Referee Scheduler. In some circumstances, discussions with Associations to cover costs may be required. Otherwise, 407 tolls will not be reimbursed.
