Registration:

Welcome to our online registration.

If you do not already have a Ramp account you will be required to create one when you visit the registration link. Please retain your log in information for future registrations.

Failure to complete the registration process within 2 weeks of your athlete being named to a team will result in suspension of participation in all practices and games until resolved.

Google Chrome is the recommended browser.

Please disregard any prompts that don't apply to registering your athlete. The system will prompt you for those that are required.

You will need your payment information (currently accepting most major credit cards) to complete the registration process. If you require alternative payment arrangements please contact : registrar@greenandgoldathletics.com

If you require financial assistance please complete the Green & Gold Torch Assistance Fund Application found under forms. These are reviewed in confidence on a case by case basis.

Payments can be made in full or by selecting the volunteer options for a minimal fee. Please visit [Volunteer Opportunities](#) for more information once you've completed your registration.

The Annual One Time Athletic fee of \$100 is mandatory and required when registering your athlete for the first sport they participate in for the current season. Subsequent registrations for additional sports will not require the Athlete fee once paid.

If your child played a sport already this year and paid via the office, please contact registrar@greenandgoldathletics.com to receive a PROMO code to avoid paying \$100 Athlete Fee twice.

If your child played a sport in Quarter 1 and paid via RAMP, you will NOT be charged the \$100 Athlete Fee again. You do not need a PROMO code.

Volunteer Opportunities

All parents of student athletes are given the option to work volunteer shifts at our various opportunities to earn points towards the reduction in sport registration fees. Not only does this assist with reducing the costs of sport it also allows us to utilize our non-for-profit eligibility for great fundraisers such as bingo's, casino, raffles, and school event or concessions.

Volunteering is completely optional and is intended as a means to reduced the fees for your athlete . If you are not interested in or able to volunteer you may pay your registration fees in full through our online registration system.

Currently we use ivolunteer to post and request volunteers needed for upcoming opportunities. We make every effort to contact those with outstanding shift requirements in advance of releasing to the general volunteer population. After adequate notice, we release any unfilled spots to parents who are in need of the current years points. We ask that you only sign up once you have confirmation that your athlete is on a roster.

Please review the instructions listed on the ivolunteer link below.

Please be advised that failure to fulfill your volunteer shift will result in a \$200 fee per point.
