

Grimshaw Minor Hockey – 2019/2020

Volunteer Bond

Player: _____

Level: _____

In an effort to make hockey more affordable for all players, it is GMHA policy that all parents with children registered in GMHA have the opportunity to reduce registration fees by \$400. To be eligible for this discount families need to participate in board sanctioned fundraising events and sign a volunteer bond. These events include activities such as working Bingos, selling tickets, and other activities determined by the Executive Board at the AGM. **This bond does not cover your regular team duties.**

*Should you decide to leave GMHA prior to the season ending you will be not reimbursed for volunteered time and you will forfeit your discount. Refunds are based on actual fees paid to GMHA.

- **OPTION 1:**

I decline a discount of \$400 per registered child and pay FULL PRICE at the time of registration (Check dated for September 1, 2019). This payment releases the parent from the obligation to participate in Grimshaw Minor Hockey Fundraising but does not release the parent from required team duties.

- **OPTION 2:**

For parents accepting the fundraising discount option, five (5) deposit checks are required as follows:

- Check 1 to be dated for November 30, 2019 in the amount of \$125
- Check 2 to be dated Feb 28, 2020 in the amount of \$125
- Three (3) “bingo” checks dated March 1, 2020 in the amount of \$75.00 each

Commitment Deposits will be returned at the end of the season once all fundraising obligations have been met. If you miss a fundraising event your cheque will be cashed without notice.

Planned Fundraising for the season:
Bingos / Cash Calendars / Raffle

(GMH reserves the right to change the above as the Board sees necessary)

Grimshaw Minor Hockey is pleased to offer this option to parents! For those of you who wish to participate in fundraising activities, we look forward to working with you to support GMHA Fundraising Events.
