L. Guichon Esq

Ladner

B.C.

Dear Sir,

Guichon vs. Cause

We have been using every means to collect your claim herein and have at last got a letter from C. Phair Lilloet that he had sent a note into the County to present the note and get the money. He states that we must have patience as it is very hard to reach the clerk's office but that our money is sure in a week or two.

Yours faithfully
