

**HALIFAX
COUNTY
UNITED** SOCCER
CLUB

GAME TIME POLICY

All Grassroots players will play at least 50% of games, including league and tournament games.

All Skills Centre and Performance Teams will use fair play when determining player game time.

Coaches may reduce playing time for individual players due to any of the following:

- Uncommunicated absences and/or punctuality for practices and/or games
- Poor effort, attitude, and/or behavior during practices and/or games
- Injuries

Skill Centre Goalkeepers players who regularly attend goalkeeper training will be given game time priority for that position.

Any issues with playing time must be communicated to the coach. If the issue remains unresolved it can be brought to the Club by either the coach or the player.
