EVERYONE PLAYS POLICY

POLICY STATEMENT

Halifax Dunbrack Soccer Club (HDSC) understands that the costs associated with sports can cause financial strain on families. To help members overcome the financial barriers that otherwise may limit their ability to play, we have created the *Everyone Plays* program. *Everyone Plays* will provide qualified families with financial assistance towards their registration each season for players up to the age of 18.

PROCEDURE

Everyone Plays will consider applications for assistance (per season) for 1 or more of the following:

- Up to \$300 towards registration fees
- Up to \$100 towards equipment (Cleats/Shin Pads)
- Up to \$199 for out of town league game travel (travel must be more than 150 km)
- Up to \$90 to cover tournament registration costs

How to apply

- Families requiring assistance must first apply and be approved for funding with Kidsport;
- Families must forward the application reference number to HDSC office to ensure the funds are properly placed on the member account.
- Complete the Everyone Plays Application on the HDSC website
- Forward any questions regarding *Everyone Plays* to the Club Operations Lead
