

# Player Code of Conduct

## Respect yourself:

- I will wear the proper equipment and wear it correctly.
- I will develop my skill and body strength so that I can play the game to the best of my abilities.
- I understand that a concussion is a **serious** brain injury that has both short- and long-term effects.
- I understand that I don't need to lose consciousness to have had a concussion.
- I understand that any blow to the head, face, or neck, or a blow to the body which causes a sudden jarring of the head may cause a concussion.
- I understand that if I suspect I might have a concussion I should stop playing the sport **immediately**.
- I understand that continuing to play with a suspected concussion increases my risk of more severe, longer lasting concussion symptoms, as well as increases my risk of other injury.
- I will not hide my symptoms. I will tell my coach, trainer, parent, or other responsible person if I am concerned I have had a concussion and/or experience **any** signs and symptoms of concussion following a collision.
- I understand I will not be able to return to play following a collision where I experience signs and symptoms of concussion.
- I understand I will have to be cleared by a physician or qualified medical professional, preferably one with experience in concussion management, prior to returning to play.
- I understand I will have to follow the 6-step Return to Play guidelines when returning to activity.

## Respect Others:

- I will respect the rules of the game.
- I will respect my opponents and play fair.
- I will not fight or attempt to injure anyone on purpose.
- I will respect my coaches, trainers, parents and the medical professionals and any decisions made with regards to my health and safety.
