Welcome to the 2025 Hockey Alberta Provincial Championships, presented by

Congratulations to the players, coaches, and officials who have earned the honor of participating in the Provincial Championships. This is one of the most exhilarating times of the year for any participant, so be sure to take a moment to appreciate your accomplishments.

For over half a century, the annual tradition of the Provincials has seen teams from across the province gather to compete on the ice, interact off the ice, and crown champions in numerous age divisions. Throughout this time, hundreds of thousands of volunteers, coaches, parents, and officials have committed millions of hours to ensure that the participants on the ice have a positive and memorable experience—regardless of whether they win a medal. To those who have dedicated their time to making a positive impact in our game, thank you.

Every year, our sport evolves, and the Board of Directors, staff, and volunteers at Hockey Alberta work to build a roadmap for change. This roadmap is based on our Vision of “Hockey for Life” and our mission to create positive opportunities and experiences for all players through innovative leadership and exceptional service. Our roadmap, integrated into our Objectives and Key Results, can be found on our website, or by scanning the QR code below.

We look forward to seeing you in the rink as you commit to and share positive experiences that will last a lifetime.

ROB LITWINSKI
PRESIDENT AND CEO, HOCKEY ALBERTA

LEN SAMLETZKI
CHAIR, BOARD OF DIRECTORS

Land Acknowledgment

We acknowledge the traditional lands and territories of the Indigenous peoples who have lived on these lands and have taken care of them since time immemorial. What became known as the Province of Alberta in 1905, is also the traditional and ancestral home to many Indigenous Peoples and for that we are honoured to have shared this land with them since Treaties 6, 7, and 8 were entered into. Alberta is also the historical Northwest Métis Homeland – which includes five Territories. We acknowledge the many First Nations, Métis and Inuit who have lived in and cared for these lands for generations. We are grateful for the traditional Knowledge Keepers and Elders who are still with us today and those who have gone before us. We make this acknowledgement as an act of reconciliation and gratitude to those whose territory we reside on or are visiting.
