WELCOME MESSAGE

Welcome to the 2024 Hockey Alberta Provincial Championships, presented by ATB.

Congratulations to the players, the coaches and the officials who have earned the honour to be part of the Provincial Championships. It is one of the most exciting times of the year for any participant. Be sure to take the time to appreciate the accomplishments.

For more than half a century, the annual tradition of the Provincials has seen teams gather from across the province to compete on the ice, interact off the ice, and crown champions in numerous age divisions.

In that time, hundreds of thousands of volunteers, coaches, parents, and officials committed millions of hours of their time to ensure the participants on the ice had a positive and memorable experience – regardless of whether they won a medal. To those who have dedicated their time to provide a positive impact in our game, thank you.

Every year, our sport evolves and the Board of Directors, staff and volunteers at Hockey Alberta work to build a roadmap for change. This roadmap is based on our Vision of “Hockey for Life” and our Mission to create positive opportunities and experiences for all players through innovative leadership and exceptional service. Our roadmap, integrated into our Objectives and Key Results, can be found on our website, or by scanning the QR code below.

One of the four Objectives is a commitment to the hockey community – to nurture a positive hockey culture for all. In September, Hockey Alberta took another stance towards achieving this by releasing our statement on Equity, Diversity and Inclusion (EDI), where we committed to removing all forms of discrimination and maltreatment from our sport.

The exciting next step occurs as part of the 2024 Hockey Alberta Provincial Championships – THE PLAYER’S PLEDGE.

The Player’s Pledge commits each of our participants to playing and acting with respect and being part of moving in the right direction to make our game welcoming and inclusive for all. Teams competing in this prestigious event are encouraged to use the pledge as a team builder to create a bond beyond the ice.

We look forward to seeing you in the rink as you commit to and share positive experiences that will last a lifetime.

LAND ACKNOWLEDGEMENT

We acknowledge that what we call Alberta is the traditional and ancestral territory of many peoples, presently subject to Treaties 6, 7, and 8. Namely: the Blackfoot Confederacy – Kainai, Piikani, and Siksika – the Cree, Dene, Saukteaux, Nakota Sioux, Stoney Nakoda, and the Tsuu T’ina Nation and the Métis People of Alberta. This includes the Métis Settlements and the Six Regions of the Métis Nation of Alberta within the historical Northwest Métis Homeland. We acknowledge the many First Nations, Métis and Inuit who have lived in and cared for these lands for generations. We are grateful for the traditional Knowledge Keepers and Elders who are still with us today and those who have gone before us. We make this acknowledgement as an act of reconciliation and gratitude to those whose territory we reside on or are visiting.
