

HAWKS ATHLETIC CLUB
2019 - 2020
PLAYER RECOGNITION AWARD

AYDEN BROWN

The 2019/2020 Player Recognition Award for NW280 goes to ***Ayden Brown***.

Our team struggled to find consistency this year but through the first 8 games of the season you could see the leadership on this team starting to take shape. It was great to see some players showing leadership on the ice, some in the dressing room, and some during dryland.

Ayden was full of energy in the dressing room; it didn't matter if it was before a game or practice, his energy was always there. There was no doubt that he was liked by his teammates.

From a coaching perspective, Ayden had work ethic and was an active listener. It didn't matter if it was during practice or a game, he was always willing to listen to corrections or praise and try what we were passing along to the team.

As was said above, our team struggled, but Ayden was one of a few kids that made it to every game and over 95% of the practices that we had. His dedication to the team and his teammates showed that he was there for the love of the game and played for the guy beside him and the crest on his jersey.

There were a few traits that each coach brought up when asked about Ayden.....consistent, coachable and respectful were repeated from each of them. It didn't matter if he was on the ice or off, Ayden was kind and polite to teammates, parents, and thanking the coaches for doing what we were doing for the team.

Ayden - continue to be the hard working, coachable and respectful person that you presently are. It has been great having you on this team and an honour to award you with this recognition for the 2019/2020 season.

Congratulations Ayden!

Atom - NW280 Hawks
Taylor Orrell - Head Coach
