DROP IN FRIDAY GOALTENDER DEVELOPMENT SESSIONS WITH ATC GOALTENDING

The North West Zone Hockey Development group is pleased to announce that for the 2019-20 hockey season, the Hawks Athletic Club and the Whitemud West Hockey Association have joined forces. Our goal is to bring the players in both club's development sessions with high value and flexibility for families that have a variable schedule yet want the ability to continue with supplemental skills development for their players and goaltenders.

ATC Goaltending is an elite provider in goaltender training. Founded in 2005, the goal of ATC Goaltending is to provide quality goaltending instruction to individuals at all levels by building a solid foundation of technical skills and work ethic. Co-owners Dave Rathjen and Jamie McCaig have collectively been instructing goaltenders for over 36 years, working across all levels of play.
