

Registration AA FAQs

How can I register my child for the AA program?

If your child has received the recommendation for the AA program, you can register at the following link: <https://halifaxcitysoccerclub.demosphere-secure.com/registration>

My child was not registered with Halifax city soccer club the previous season and therefore does not have a recommendation but is interested in the AA program how should we proceed?

You may register for the AA program via the link above. The player in question will then begin the season with the AA program but may be moved depending on what Halifax city soccer club feel is most appropriate for your child's experience.

My child received the recommendation of AA at the end of the previous season. What does that mean?

Your child should be registering for the AA program for the most appropriate spot for their individual development. If your child is not someone who wishes to commit to the AA program, they then would register with the appropriate age group's Community program

My child received the recommendation of AA trialist at the end of the previous season. what does that mean?

Your child will begin this season registered with the AA program, but coaches and staff will monitor their experience throughout The season and may advise that your child moves to the community program based on their individual developmental needs
